SPECIAL REGULATIONS.

- DEFINITIONS**—The following definitions apply to the Fat Cattle and Carcass Classes.
 - Stud**.—This term in relation to an animal means that both its sire and its dam are registered in the Herd Book of the recognised Stud Beef Cattle Breed Society.
 - Pure-Bred**.—This term shall apply to an animal only if the sire and the maternal sire in each of the three next preceding generations of the dams were all stud animals of the same breed.

PROVIDED THAT—

 - in the case of a Poll Hereford a forebear shall be deemed to be a stud animal of the same breed if recognised by the Australian Hereford Society as being or having been a Hereford;
 - in the case of a Poll Shorthorn a forebear shall be deemed to be a stud animal of the same breed if recognised by the Shorthorn Society of Australia as being or having been a Shorthorn.
 - Natural Pastures**.—Mean grass lands, whether improved, fertilised, or otherwise, and include lucerne, rye, phalaris, and other like grazing pastures, and growing crops.
 - Stall Fed** in relation to an animal denotes that it has not been exclusively pasture fed.
 - Carcass Classes** are those classes in which the carcass only is entered for exhibition or competition.
 - Shorthorns** will include pure-bred animals of the Beef-Shorthorn breed whether they be horn Shorthorns or dehorned Shorthorns.
 - Herefords** will include pure-bred animals of the Hereford breed whether they be horn Herefords or dehorned Herefords.
 - Carcass Judge**.—The person appointed to judge the Carcass Classes.
- Exhibitors in the Fat Cattle Classes will be allowed not more than **THREE ENTRIES** in each class.
- Every exhibit must be the property of the exhibitor at judging day, and must have been owned by him at all times during the period of three months immediately preceding day of judging.
- Exhibitors in classes for live animals must be quiet and tractable and be trained to tie up and to lead.
- The certificate of entry must—
 - be supported by statutory declaration lodged with the Director before the closing date for entries and such declaration—
 - must be made by the exhibitor;
 - must verify the particulars in the certificate of entry;
 - must contain a statement that the age of each animal entered for exhibition, or whose carcass is entered for exhibition, does not exceed the age specified in relation to such animal in the certificate of entry;
 - must contain a statement as to where each animal has been fattened and the particulars of the food upon which the animal has been fed during the twelve months prior to the day of entry and upon what ration it will thereafter be fed until judging day. Animals which have been treated with hormones are not eligible for entry or exhibition.
 - expressly state in respect of each animal being an exhibit or comprised in an exhibit, whether such animal is horned, dehorned or poll.
- In all classes the Judge may be given by the Chief Steward the weights of exhibits. It will be left to the discretion of the Judge to disqualify or to penalise any exhibit if an animal shall be considered to be over or under weight or size, but no animal shall be precluded from parading before the Judge by reason only of weight or size.
- The Society shall have the right to weigh any or all exhibits at any time, and each exhibitor shall afford the Director all facilities and assistance if and when required so to do.
- The weight of an exhibit certified by the Director to be correct shall for all purposes be accepted as correct.
- Any animal shall not be eligible for entry in any single class for fat stock if it is over the age of 18 months.
- Particulars of ages of exhibits in each class (other than in carcass classes) may be furnished to the Judge, and shall be so furnished if the Judge shall require it.

Sec. 2—CATTLE—Fat Cattle (Continued).

12. The Judge, in making his decision in classes for live stock, will take into account early maturity, quality, conformation, development, evenness and depth of flesh, and absence of wasteful fat, and in the case of pure-bred exhibits, breeding and trueness to type, and in the case of pen class exhibits, uniformity of size, quality, and type of the animals comprised in the exhibit.
13. The Judge will not be bound to grant an award to any exhibit which in his opinion he considers of insufficient merit to receive such award.
14. If an exhibit shall in the opinion of the Steward-in-Chief be of insufficient merit for exhibition, whether from point of view of Show preparation or of standard of excellence, the Society by its Director may require the exhibitor to remove the exhibit from the Showground, and the exhibitor upon being so required shall forthwith remove the exhibit, and if he shall fail to do so the Society at the expense and on behalf of the exhibitor may take all appropriate steps to have the exhibit removed and slaughtered and/or sold, and all costs and expenses incidental thereto shall upon demand be forthwith paid by the exhibitor to the Society.
15. Except with the consent of or as directed by the Director all exhibits in classes for live stock must remain on exhibition until the termination of the Show.
16. Except as otherwise specified in the Show Schedule, both the sire and the dam of an exhibit shall be either stud or pure-bred animals of the same breed.
17. In the event of any question or dispute arising as to any matter or thing affecting the entry of or retention of any animal on the Showground, or affecting the exhibition or qualifications of any animal or as to the right or obligation of any exhibitor or of the Society or as to the interpretation or application of any regulation of the Society, every such question and dispute may be referred by the Society or by the exhibitor or other party affected to the Steward-in-Chief, who shall determine such question or dispute acting upon such information and evidence as he may think fit regardless of the ordinary rules of evidence, and his decision shall be final and be accepted as binding upon all parties to such question or dispute and upon all persons affected thereby.
18. Should it be found that a steer, at the time of examination prior to judging, shows more than the prescribed number of teeth, it shall not be sold while on the Showground.

CARCASS CLASSES.

19. The prizes awarded in carcass classes shall be awarded to the exhibitor and shall be the property of the exhibitor and not of the purchaser.
20. No carcass of any animal shall be eligible for entry in the carcass classes unless the animal is entered for exhibition and is exhibited in one or other of the classes for live fat stock.
21. The following rules will apply to the judging of carcass classes:—
 - (a) the animals of which the carcasses are entered for competition will be offered at auction on the Showground and under the auspices of the Society and later will be slaughtered at the abattoir at Homebush Bay;
 - (b) Carcasses will be dressed and weighed and will then be exhibited to the Judge in the presence of the Stewards of the Fat Cattle Section, and if so desired by the Judge or by any Steward, carcasses will be quartered and will be further cut up as may be required. If the carcass is weighed hot, the official weight shall be deemed to be scale weight, less three per cent;
 - (c) the Judge shall not be present during the killing or during the dressing of the carcasses;
 - (d) care shall be taken by the Stewards that each carcass shall be capable of identification by the Steward-in-Chief and by the Chief Steward, but shall not be identifiable by the Judge and shall not bear a catalogue number;
 - (e) no information shall be given to the Judge, and the Judge shall not seek or obtain information which may tend to distinguish any one or more carcasses from another or others;
 - (f) in the judging of a carcass the Judge shall have regard to quality, depth and evenness of fleshing, and to conformation, marbling and absence of waste.

Judging to start on:—

Thursday, 7th April, 2.30 p.m.—Pure-Bred Stall Fed Steers on the hoof.

Tuesday, 12th April—Steer Carcasses.

All animals exhibited in Classes 170 to 178 must, in the opinion of the Judge, be typical of the breed.

All Fat Cattle to be weighed at 11.30 a.m., Thursday, 7th April, the weight of each animal to be posted on the board.

SHORTHORN, POLL SHORTHORN, HEREFORD, POLL HEREFORD, DEVON, ANGUS, GALLOWAY, SANTA GERTRUDIS, AND RED POLL PURE-BRED STEERS.

Carcasses of steers entered in Classes 179 to 187 may be inspected at the State Abattoir, Homebush Bay, on the morning of Tuesday, 12th April, from 9 a.m. to 12 noon. Should it be found necessary to alter this arrangement notice of same will be posted on the Society's notice board.

JUDGING ARRANGEMENTS.

The steers must be quiet and tractable in order to be led into the Judging and Sale Rings. They may be either stall fed, grazed on natural pastures or both.

The steers are to be weighed alive at 11.30 a.m., Thursday, 7th April, and the weights will be handed to the various judges who will commence judging at 2.30 p.m., Thursday, 7th April. Steer carcasses will be judged on Tuesday, 12th April.

The steers will be sold by auction on behalf of the exhibitors at 10.30 a.m. on Saturday, 9th April, after which those entered in Carcass classes will be sent to the N.S.W. State Abattoir, Homebush Bay, where they will be slaughtered on Monday, 11th April. The judge will not be on the killing floor while the steers are being slaughtered and carcasses dressed. The day following slaughter the carcasses will be weighed and judged. The judge has power to have the carcass cut as he wishes in order to arrive at a correct judgment. The prizes are the property of the exhibitors who enter the steers and carcasses and not the purchasers.

The Committee reserves the right of freezing and placing the 1st, 2nd, and 3rd prize carcasses, and cuts therefrom, in a refrigerated cabinet at the Royal Agricultural Society's Show of this year, and delivering same after the Show has terminated. The delivery of carcasses not so selected will not be given to the purchaser or purchasers until the Judge has completed his awards.

Ideal average weights.

For the purpose of these competitions, and as an indication to exhibitors, the ideal weights are generally considered to be

(a) Live weight, between 750lb and 1,250lb.

(b) Carcass weight, between 450lb and 760lb.

Cattle outside this weight range will not for that reason alone be penalised by the judge.

DATES OF BIRTH FOR CLASSES RESTRICTED BY AGE.

Stated hereunder is an explanation regarding classes which restrict the eligibility of an exhibit by the fact of its age. The dates shown within the parentheses are those on, or between which, the exhibit must be born to enable it to compete in the class referred to immediately preceding the parentheses.

Age—Not over 18 months (On or after 1st Sept., 1958).

An animal calving first as a Junior 2 year old has a minimum requirement of 285lb. butterfat. If the first calving is a Senior 2 year old the minimum requirement is 300lb. butterfat.

CLASS B: Open competition based on the last three lactations completed under Register of Merit conditions.

Provided conditions of production yields outside the qualifying periods for the Register of Merit comply with Register of Merit conditions, such production may be used in this open competition, i.e., if an animal qualified early in 1957 and completed two more records by December, 1959, these records may be used together with the last record of the qualifying yield. The three records used, however, must be consecutive.

Animals eligible for Class A may compete in Class B but will not be eligible to compete in both classes.

Each cow must have produced for the three-year period quantities of butterfat in accordance with the standards laid down by the Department. The results will be based on a 300-day lactation, the interval between each calving to be not more than 18 months. When a cow commences the first qualifying yield at an age of less than two years 183 days, the qualifying production will be reduced by 50lb. of butterfat. Each cow must have produced in each lactation at least 300lb. butterfat except in the case of a lactation commencing before the age of two years 183 days when the minimum standard is reduced to 285lb.

Exhibits for each class will be judged for breed type, production and regularity of breeding in accordance with the following scale of points:

For breed type	..	100
For butterfat production	..	35
For milk production	..	35
For regularity of breeding	..	30
Total	..	200

Each cow will be credited with:—

(i) One point for every 30lb. butterfat above standard to a maximum of 35 points.

(ii) One point for every 600lb. of milk above standard as hereunder to a maximum of 35 points.

Jerseys and Guernseys—22,000lb. milk in three years

Australian Illawarra Shorthorns and Ayrshires—27,000lb. milk in three years.

Friesians—31,400lb. milk in three years.

(iii) A basic 20 points for regularity of breeding. In addition for every whole ten days by which the time between the first calving (preceding first qualifying yield) and the calving preceding the third qualifying yield is less than 830 days add one point, and for every whole ten days by which the time between the calving exceeds 830 days deduct one point from the basic 20 points.

There will be no age allowance. Exhibits to be drawn from general classes.

 W. L. Arnold
 S. E. J. Higgins

PENALTY—NON-EXHIBITION OF DAIRY GOATS.

In order to prevent the non-exhibition of animals which have been entered for the Show, thus causing unnecessary preparation, expense, and disarrangement of the Show Yard, any person making any entry will be subject to a fine of £1 for each entry of goats not exhibited, unless a certificate under the hand of exhibitor or his authorised agent be lodged with the Director of the Society before the day of Exhibition, to the effect that such non-exhibition is caused either by (1) the death of the animal or animals; or (2) contagious or infectious disease (confirmed by the explanatory certificate of a veterinary surgeon); or (3) by its becoming ineligible for the class in which it has been entered, or other reasonable cause. The non-payment of such fines to debar all persons owing them from exhibiting at future exhibitions of the Society.

EXHIBITION PERIOD.

Exhibits are required to be on the Showground on Monday, 11th April, and must remain on exhibition until midnight, Monday, 18th April.

JUDGING DAY.

Dairy Goats will be judged at 9 a.m., Wednesday, 13th April.

DAIRY GOAT PARADERS' COMPETITIONS.

See Classes 24 and 25.

GENERAL REGULATION No. 67.

If a judge shall consider that any exhibit does not possess sufficient merit to deserve a prize in the class in which the exhibit is presented for judging the prize shall not be awarded.

SPECIAL DAIRY GOAT REGULATIONS.

Exhibitors are reminded that the Society's General Regulations apply to all sections of the Show and that the Special Regulations hereunder set out which apply to this section only are merely supplementary to the General Regulations.

Dairy Goats must be registered in a Herd Book recognised by the Royal Agricultural Society of N.S.W., and proof of registration must accompany all entries for the Show. For particulars of the Goat Breeders' Society of Australia, apply to the Secretary, F. H. Berryman, Endeavour House, 53 Macquarie Place, Sydney; H. T. C. Woodfull, Secretary, Victorian Branch, Royal Show Grounds, Epsom-rd., Ascot Vale, Melbourne; R. H. Sedgman, Secretary, South Australian Branch, 7 Pirie-st., Adelaide; J. B. Marshall, Secretary, Western Australian Branch, 239-243 Adelaide Terrace, Perth.

The age of all Dairy Goats to be calculated from the birth date shown on the kid record and or registration form up to the official Judging day, Wednesday, 13th April.

All Does will be milked dry, commencing at 5 p.m., Tuesday, 12th April, when an inspection will be made. The exhibitor or his representative to be present when the Does are being stripped out. Any Doe which in the opinion of the steward is carrying excessive milk shall be debarred from competition. Should the judge require any Doe to be milked out before making his award, same shall be done.

Any doe, entered as dry, if in milk at the time of the competition, may compete as a wet doe, and vice versa.

All dairy goats shall be fed and attended to by the exhibitor while the goat remains on the Showground.

In awarding the Championship, the first prize winner in each class of the relative sub-section shall be eligible to compete.

In awarding the Reserve Championship, the first prize winner in each class of the relative sub-section, other than the exhibit to which the Championship has been awarded, shall be eligible to compete together with the second prize winner in the class in which the Champion was awarded first prize.

In awarding the Junior Championship, the first prize winner in each class in the relative sub-section shall be eligible to compete, provided that no exhibit shall be eligible to compete for the Junior Championship if it is over the age of two years and, in the case of a Saanen, if it is not a maiden.

In awarding the Reserve Junior Championship, the first prize winner in each class in the relative sub-section, other than the exhibit to which the Junior Championship has been awarded shall be eligible to compete together with the second prize winner in the class from which the Junior Champion was drawn, provided that no exhibit shall be eligible to compete for the Reserve Junior Championship if it is over the age of two years and, in the case of a Saanen, if it is not a maiden.

If a Champion or Reserve Champion shall be disqualified or shall be found to be unqualified to compete in the class for which it was entered, or to compete for the Championship or Junior Championship then the Championship or Junior Championship shall be awarded to the animal which was awarded the Reserve Championship or Reserve Junior Championship.

In all classes where only two or three prizes are offered, Very Highly Commended, Highly Commended, and Commended cards may be recommended at the discretion of the judge.

RAILWAY CERTIFICATES.

Certificates granting reduced rail carriage of goats, returning to the station they were trucked from must be obtained at the Superintendent's office. These certificates must be obtained before the goats leave the ground and must be presented at the time of consigning. OTHERWISE FULL TRAINAGE WILL BE CHARGED. A concession rail certificate will not be issued unless the exhibit is returned to the station whence it was trucked within four weeks of the date of the forward journey.

DATES OF BIRTH FOR CLASSES RESTRICTED BY AGE.

Stated hereunder is an explanation regarding classes which restrict the eligibility of an exhibit by the fact of its age. The dates shown within the parentheses are those on, or between which, the exhibit must be born to enable it to compete in the class referred to immediately preceding the parentheses.

Over 5 years (before 13th April, 1955). Over 4 years (before 13th April, 1956). Over 3 years and not over 4 years (13th April, 1955—12th April, 1956). Not over 4 years (on or after 13th April, 1956).
