Royal Agricultural Society of NSW

## ABOUT US

Established in 1822, the Royal Agricultural Society of NSW (RAS) is recognised as an influential force in the direction and development of Australian agriculture.

With a vision for a community that understands and values sustainable agriculture and award-quality produce, the RAS measures and celebrates excellence in agriculture through competition, education, events and other activities, ensuring that rural communities and agricultural industries continue to thrive.

- Organisation and staging of the Sydney Royal Easter Show.
- Operation of the Sydney Showground venue and event management business.
- Provision of grants and scholarships for education and skills development through the RAS Foundation.
- Managing the Australasian Animal Registry, the most comprehensive animal registration and recovery service in Australasia.

As a non-profit organisation, the RAS relies on revenue generated through Sydney Showground business and events, including the Sydney Royal Easter Show, and last year invested \$11million into agricultural programs, competitions, education, youth initiatives and strengthening rural communities.
