It is with great pleasure that NSW Cat Fanciers' Association Inc are presenting our third Cat Show at the Sydney Royal Easter Show in 2024.

Your choice to take part in NSW Cat Fanciers' Association Inc show in 2024 ensures your place in the history of the ADVANCE™ Sydney Royal Easter Show Cat Championship Show, joining many other exhibitors each year with a willingness to be judged and assessed, and introduces your preferred breed to showgoers, exhibitors, and judges.

We would like to thank sponsors, judges, stewards, and everyone behind the scenes for helping and striving to make the show a success. A special thank you to the exhibitors as without you, this would not be possible.

We remind all exhibitors that ALL cats must be vaccinated (irrespective of age) no less than 14 days before the show date, and the vaccination must have been completed within 3 years of the show date. You will need to provide proof of vaccination on the day. If you are unable to provide, you will not be able to exhibit your cats.

PERPETUAL TROPHIES and AWARDS

The purpose of competition at the Sydney Royal Easter Show is to encourage agricultural and pastoral excellence, ensuring the continual improvement of standards. In the 1870s the Society introduced regulations to govern judges and judging to ensure that competition was consistent and fair, and the tradition of Perpetual Trophies dates back to this time.

The Perpetual Trophies are the most prestigious of all RAS awards. They have a dual function in recognising superior effort in competition and commemorating people and organisations that have had a long and meritorious connection with the Society. Some of the trophies currently competed for were first won in 1911. Winners of Perpetual Trophies are permanently honoured, taking their place alongside past winners and becoming part of the ongoing tradition of the RAS.

The Perpetual Trophy Collection of the RAS is unique. It comprises a wide range of beautiful and elegant trophies that illustrate an extraordinary history of agricultural judging and the pursuit of excellence.

Perpetual Trophies remain the property of NSW Cat Fanciers' Association and the RAS of NSW. Ownership does not pass to the owner of the winning exhibit.

The below Perpetual Trophies will only be awarded on Sunday 31 March 2024. The winners name will be engraved on the Trophy and a medallion awarded in recognition of the achievement.

Judges

Laura Scholten (FIFe) – Ring 1

Hello to all,

I am very happy that I'm invited to judge at your show in far far away Australia. Let me introduce myself.

I am Laura Scholten, all breed judge of FIFe. Since I began showing my cats in 1980, I knew that I wanted to be a judge, eventually.

So after I raised my children it was time to get into the education program and start learning. In 2019 I became all-breed and I finally can judge all cats. Breeding cats for such a long time is an advantage while judging, in my opinion. I breed cats since 43 years. Started with Persians and an Aby (neuter).

In 1989 I registered my cattery Blue Velvet's in FIFe and since then I breed Burmese and Burmilla with great pleasure. Beside the cats I live together with my friend Peter and a Shi Tsu called Bepie.

I am a proud mother of a daughter and a son and granny of 2 boys. When I am not away for judging, I enjoy life at home with the family and take care of our horses. I cannot imagine a life without cats and judging cats gives me the chance to see and feel all kind of cats and meet lovely people at the same time.

I am looking forward very much to meet you all. Show me your beautiful cats and let's have a great time!
Laura

Leslie van Grebst (FIFe) – Ring 2

'I was showing when I was 12' - and the rest is history.

'You can have a cat, but only if it is red' said my father and a few days later I came home with a red and white domestic kitten, who instantly became the whole family's mascot, but before we knew it, he began to take an interest in females and one day he didn't come back and had been hit by a car. I was devastated, we all were, and after a while we all wanted another cat that should only be an indoor cat. My father gave me a persian kitten and we should go to a show early in the morning and pick the one I wanted, out of a litter of 6 red tabbies. I picked one that had broken most of the whiskers and named her Pippi Longstockings and she should get an impact on my life. I wanted to go to a show with Pippi and it was in the center of Copenhagen, where I grew up, and she won best kitten and the rest is history.

In 1977, I registered my prefix VAN GREBST and bred persians for more than 20 years and had fun with my breedings of redtabbies, later came the dilutes, bicolours and colourpoints persian. Much later Abys, one Maine Coon and nowadays I only have two blue british.

My persians were a combination of the UK lines combined with the US lines. The Abys were strictly US CFA lines and only ruddies ! In both breeds I was fortunate to have several GC, World winners, Distinguish Merits and I have exported show cats to the UK, USA, South Africa and more than 10 European countries.

I passed my exam for longhair the day after my 25th birthday in 1989 and became the youngest FIFe judge. I have been an All Breed judge since 2016 and have been very fortunate to be invited to judge on 6 out of 7 continents and I still enjoy it very much.

Hurray! I am finally back in Australia to judge and I am so very pleased to be invited back here! I look forward so much to handling and judging all your amazing felines in Sydney, Darwin and Perth, and to enjoy the company of new and old Australian cat friends.

Cindy Grimes (FCCV) – Ring 3

I have always had a cat in my life since I was toddler & they all have been my best friends. I became involved in the cat fancy since 1997 when I started showing desexed Spotted Mist cats (aka Australian Mist) as they were known then. I bred & showed Australian Mists under the Djindi prefix till 2008.

In 2004 I became captivated by the beautiful soft curly coat of the Selkirk Rex & started breeding them in 2005 under the prefix Purrcurls. During my time as a breeder I have also bred Exotics, Persians & British Shorthair under the Djindi prefix and now I have started breeding the elegant Russian. During 2015 – 2017 I was awarded GCCFV Inc Group 3 Breeder of the Year.

Since 1997 I have been an active member of any organisation I have had held membership with. I have held positions of show manager for affiliate clubs, association's and the Royal RASV show. In 1999 I qualified as a judge's steward; between 2008–2014 I was the assistant secretary of the GCCFV; & the Group3 Registrar for both GCCFV Inc & CV Inc.

I qualified as an Open All Shorthair Judge in June 2014, in 2015 I became a Senior All Shorthair Judge, & I qualified as an All Breeds Judge in 2018. I have judged in most states of Australia and have judged in New Zealand in 2016 and 2017.

Pamela Lanigan (CU WA) – Ring 4

I first joined the cat fancy with my first British Shorthair, Poppy, in 2004. Since then I have bred, shown and loved many more of this special breed under the Cuddleton prefix.

Right from the beginning I have loved colours and have long bred chocolate and lilac alongside my blues and blacks in solid and bicolor.

The temptation to have even more shades to work with led me to importing the first cinnamon and fawn British Shorthairs in Australia.

I have since imported cats from the Czech Republic and Germany. My cats have made me very proud at shows both here and overseas but most of all I love hearing that they make their owners happy. Breeding friendly and healthy kittens that will grow into much loved pets is very important to me.

I have enjoyed show stewarding for almost as long as I have shown cats and this was a great foundation for becoming a judge. I have been also active in many cat clubs including the British Shorthair Cat Club and within Cats United WA.

I love to travel to shows with cats and without. It is so wonderful to see different breeds and meet new people plus see friends I have met along the way.
