## ABOUT US

Established in 1822, the Royal Agricultural Society of NSW (RAS) is recognised as an influential force in the direction and development of Australian agriculture. With a vision for a community that understands and values sustainable agriculture and award-quality produce, the RAS measures and celebrates excellence in agriculture through competition, education, events and other activities, ensuring that rural communities and agricultural industries continue to thrive.

- Organisation and staging of the Sydney Royal Easter Show
- Control of the Sydney Showground venue and event management business
- Operation and administration of Sydney Royal competitions
- Provision of grants and scholarships for education and skill development through the RAS Foundation
- Managing the Australasian Animal Registry, the most comprehensive animal registration and recovery service in Australasia.

A non-for-profit organisation, the RAS relies on revenue generated through Sydney Showground business and events, including the Sydney Royal Easter Show, to invest nearly \$9million annually into agricultural programs, competitions, education, youth initiatives and strengthening rural communities.
