Royal Agricultural Society of NSW

ABOUT US

Established in 1822, the Royal Agricultural Society of NSW (RAS) is recognised as an influential force in the direction and development of Australian agriculture. With a vision for a community that understands and values sustainable agriculture and award-quality produce, the RAS measures and celebrates excellence in agriculture through competition, education, events and other activities, ensuring that rural communities and agricultural industries continue to thrive.

- Organisation and staging of the Sydney Royal Easter Show
- Control of the Sydney Showground venue and event management business
- Operation and administration of Sydney Royal competitions
- Provision of grants and scholarships for education and skills development through the RAS Foundation
- Managing the Australasian Animal Registry, the most comprehensive animal registration and recovery service in Australasia.

A non-for-profit organisation, the RAS relies on revenue generated through Sydney Showground business and events, including the Sydney Royal Easter Show, to invest nearly \$9million annually into agricultural programs, competitions, education, youth initiatives and strengthening rural communities.
