## BY-LAWS AND REGULATIONS FOR THE SOCIETY'S EXHIBITION.

### I.—OPENING.

The Exhibition will open on Tuesday, April 19th, 1881, at Noon.

### II.—ADMISSION.

Members free; on presentation of members' ticket, which is not transferable.  
 Non-Members, one shilling each, except on Tuesday, the 25th April, the day of Judging Live Stock, when the entrance fee will be five shillings.  
 N.B.—The Gate Keeper or Stewards in charge thereof may require proof of ownership of any ticket, and in default of such proof being afforded, may impound the same.

### III.—CONDITIONS OF COMPETITION.

All Exhibits must, on the day of the Exhibition, be *bona fide* the property of the Exhibitor, and have been so at least one month previously; and all Farm and Horticultural Produce, excepting in classes A, B, C, D, and E, must be the production of the person exhibiting it.

The same Exhibit cannot compete for the Society's prizes in two distinct classes, except where it is permitted by the Council.

Exhibits, although entered in any class, may compete for special prizes, notice of which shall be given on the Certificate of Entry.

Exhibits entered in the wrong class by the Exhibitor will be excluded from competition for prizes, except where permitted by the Executive Committee.

Any Exhibit having taken the first prize in a class for two consecutive years, shall not receive any prize in such class, but may be exhibited, and if considered superior to all other Exhibits in that class, it shall receive a certificate from the Judges to that effect. Such Exhibit shall, however, be eligible to compete for any SPECIAL PRIZE.

### IV.—CERTIFICATE OF ENTRY.

The Certificate of Entry is a printed form, to be obtained from the Secretary, and from the Secretaries of the principal local societies, and is available FOR ONE EXHIBIT ONLY, except in the case of stock entered for sale, when one certificate is sufficient. The Exhibitor therefore must apply for as many certificates, as he has Exhibits, except as specified above, and must fill them in according to the forms prescribed. And as it is from these documents that the Catalogue will be compiled, it is absolutely necessary that the whole of the questions contained in them should be answered as far as possible.

The Certificate will not be valid unless signed by the Exhibitor or his agent.

No Exhibit will be admitted without a Certificate of Entry correctly filled in, signed, and delivered by post or otherwise, to the Secretary, at the Office of the Society, on or before the dates for the closing of Entries specified on the Certificate of Entry or advertised: and the Secretary will acknowledge the delivery of the certificate by returning to the Exhibitor a receipt for the same, upon the production of which the Exhibit will be admitted into the Society's ground.

No entrances will be received after the dates specified for the closing of the same.

All owners competing in Sections I. and II. shall be restricted to *three* entries of pure pedigree (as admissible in the Stud and Herd Book) in each class, but no branch establishment of one partnership shall entitle owners to more than the three aforesaid entries in each class, but they may enter *ten* others, not necessarily of pure pedigree, for exhibition and sale on the grounds upon payment of a fee of ten shillings for each head, these latter to be placed in yards or covered stalls. In case of protest, based on difference of age, animals to be submitted to the Society's V. S.

Exhibitors or their agents, when called upon by the Stewards or Committee, shall prove the correctness of their Certificates of Entry.

No charge will be made to members upon the Certificate of Entry for any of the Society's prizes but a fee of 2s. 6d. will be levied on Certificates of Entry for non-members.

Such charge as the Committee may determine shall be made for ground or wall space, and the Stewards shall use discretionary power as to the space to be allowed to each Exhibitor.

### V.—ARRIVAL AND ARRANGEMENT OF EXHIBITS.

All Exhibits must bear a distinctive mark corresponding with that entered upon the Certificate of Entry, and be delivered to and removed from the Society's ground free of charge.

Exhibitors or their agents must, if requested, point out to the Stewards their respective Exhibits, in order that they may be identified, classified, and numbered according to the Catalogue before being submitted to the Judges.

No Exhibit will be admitted into the Society's ground unless the attendant is in possession of the Secretary's receipt, and each Exhibit, when it enters the ground, must be at once put into its proper place.

All Exhibits, other than Live-stock, must be upon the ground not later than Monday, the 18th of April.

### VI.—DISEASE OR DANGER.

Should there be any reason to suspect that any Exhibit is either diseased or dangerous, the Society reserves the right of removing the same from, or refusing its admittance to, the Exhibition. No Stock will be admitted into the Society's Exhibition without first being passed by Inspectors appointed by the Society.

### VII.—CONTROL OF EXHIBITS.

Exhibitors shall, under direction of the Stewards, arrange their Exhibits; and no Exhibit shall afterwards be moved without the sanction of the Stewards, under a penalty not exceeding £5.

The Committee shall have power to retain the Exhibit of any Exhibitor so fined until such fine is paid.

The members of the Executive Committee, and the Stewards in the section, shall at any time have power to enter any space allotted to any Exhibitor, and give such directions as regards the Exhibits as they may think fit.

Exhibitors will render themselves liable to a penalty of £5 by removing any official placard, ticket, or ribbon, affixed or posted by the Stewards, or by affixing any other placard, ticket, or ribbon in lieu thereof, or by refusing in any way to carry out the instructions of the Stewards, who shall incur no responsibility by putting these regulations in force.

No Exhibitor shall be permitted to be with the Stewards or Judges during the time of judging the Exhibits, unless by special request of the Stewards. And the Exhibit or Exhibits of any person infringing this rule shall be at once disqualified.

LIVE STOCK ATTENDANTS will be supplied by the Stewards with distinguishing badges, and required to wear the same, and shall be regarded, during the time of the Exhibition, as servants of the Society, and shall be under the entire control and direction of the Stewards. They shall be in attendance each day of the Exhibition from 9 a.m. to 4 p.m., for the purpose of exhibiting and parading stock.

### VIII.—CARE AND FEEDING OF STOCK.

The Society undertakes to find the necessary accommodation and attendance, if required, for the animals and birds during the Exhibition; but no provision will be made for the feeding of the same (except in the case of Section V.—Dogs) beyond establishing a store at which fodder may be purchased by Exhibitors; nor will the Society provide for the nightly accommodation of Entire Horses.

### IX.—DEPARTURE OF EXHIBITS.

GENERAL.—Notwithstanding the dates hereinafter fixed for the departure of the several Exhibits, the Society reserves the right to retain any or all of them for such further time as the Executive Committee may consider necessary; and no Exhibit shall be removed from the Exhibition without a formal permit from the Stewards, or the Secretary.

LIVE STOCK.—All Stock, including Dogs and Poultry, must remain in the Exhibition till 4 p.m. on Saturday, the 30th April (except fat stock, which may be removed on Friday, the 22nd April, at 4 p.m.), and all Stock not removed by 4 p.m. on 30th April, shall and will be at the owner's risk.

HORTICULTURAL AND FARM PRODUCTS NOT OF A PERISHABLE NATURE shall be kept till 4 p.m. on Saturday, 30th April, and arrangements may be made with the Stewards to renew the plants, if necessary, during the Exhibition.

### X.—RESPONSIBILITY.

DAMAGE THROUGH EXHIBITS.—The Society will not be responsible for any accident that may be caused through or by any Exhibit, and it shall be a condition of entry that each Exhibitor shall hold the Society harmless, and indemnify it against any legal proceeding arising from any such accident.

DAMAGE TO EXHIBITS.—The Society will not, under any circumstances, hold itself responsible for any loss, or misdelivery of Live-stock, or other Exhibits, at the Society's Exhibition, or for any damage thereto.

LOSS BY DISEASE.—The signing of the Certificate of Entry of any animal will be taken as a guarantee that the animal specified is free from all disease, as far as is known to the owner. In case of infectious disease being spread through or by an Exhibit, the Exhibitor shall be held responsible.

FIRE.—Means will be taken to guard against fire and protect the property at the Exhibition.

### XI.—TRIALS, PARADE OF STOCK, &c.

Due notice will be given by advertisement to Exhibitors of the arrangements made by the Stewards for carrying out field trials of implements, machinery, parade of stock, &c.

MOVEMENT AND WORKING.—The conveyance to the trial ground and working of the implements and machinery will be directed by the Stewards, and they will be carried out at the Exhibitor's expense.

WORKING IMPLEMENTS.—No implement shall be worked on the ground, unless by express order of the Stewards.

GRAIN IN SHEAF, &c.—Grain in sheaf, hay, corn, straw, roots, wool, or any material required for testing the machines, and, if wanted, horse-power, must be provided by the Exhibitors.

STEAM.—No Exhibitor shall light a fire under, or supply the boiler of any steam-engine, until he has the authority of the Stewards to do so; this authority will be given after the engineer appointed by the Society has examined the engine, and has certified that it is perfectly safe.

The Stewards shall have power to order the removal of any Exhibit worked in contravention to this rule.

### XII.—INFRINGEMENT OF REGULATIONS.

In the event of a wilful infringement by an Exhibitor of any of the foregoing regulations and by-laws, it shall be in the power of the Council, upon proof of the same, to prohibit such Exhibitor from exhibiting and competing at any of the Society's Exhibitions in future.
