PENALTY—NON-EXHIBITION OF CATTLE.

In order to prevent the non-exhibition of animals which have been entered for the Show, thus causing unnecessary preparation, expense, and disarrangement of the Show Yard, any person making any entry will be subject to a fine of £1 for each entry of cattle not exhibited, unless a certificate under the hand of exhibitor or his authorised agent be lodged with the Secretary of the Society before the day of Exhibition, to the effect that such non-exhibition is caused either by (1) the death of the animal or animals; or (2) contagious or infectious disease (confirmed by the explanatory certificate of a veterinary surgeon); or (3) by its becoming ineligible for the class in which it has been entered, or other reasonable cause. The non-payment of such fines to debar all persons owing them from exhibiting at future exhibitions of the Society.

SPECIAL CATTLE REGULATIONS.

1. The age of Beef and Fat Cattle to be the actual age up to and inclusive of 1st March, 1940; Dairy Cattle, to and inclusive of 1st January, 1940. An animal born on or prior to 1st March, in the case of Beef Breeds, and 1st January, in the case of Dairy Breeds, of the preceding year, shall not be eligible for the under 12 months old class. A similar provision shall apply to the other age classes when calculating the age from date of birth up to and inclusive of the 1st March or 1st January as the case may be. Full particulars must be stated on entry form of age, colour, pedigree, and herd book number, if fixed. In the case where no number is fixed, proof of acceptance for herd book must be produced except where otherwise specified.
2. All adult animals must be registered in a herd book recognised by the R.A.S. of N.S.W., and proof of registration must accompany all entries for the Show. 3. The pedigree of all stock, excepting Fat Cattle, must be stated on the entry form. This does not apply in the case of herd book foundation stock.

9. All cows entered in the Cow in Milk Classes will be milked dry at 4.30 p.m., Sunday, 17th March, when an inspection will be made. Any cow which, in the opinion of the Stewards, is carrying excessive milk shall be debarred from competition. 17. In all dairy classes, Cows in Milk, also Pens and Specials where Cows in Milk are competing, shall be judged first. The Champion and Reserve Champion Dairy Females to be judged immediately after the two and under three years' old class is judged.

In the Beef Cattle Section, the breed represented by the Champion Steer, will lead the Parade each year. Dairy Cattle shall be governed by the order of the Auction Sale draw (see page 148).

ATTENTION IS DRAWN TO BY-LAWS.

61. All protests as to the age of animals shall be referred to the Stewards who may call on the Society's Veterinary Surgeon for report, and shall be settled on his and other evidence by the Council, whose decision is final without recourse as already provided.

77. All exhibits sold at the Exhibition, or prior to their return to the owner's residence, will be subject to 1 per cent. commission if sold by auction or 5 per cent. commission if sold privately, on the gross amount of the sale.

Exhibitors desirous of using Hospital Pens for sick or calving stock are requested to apply to the Cattle Superintendent.

CLASS 149—(Special Prize)—Australian Illawarra Shorthorn Type and Utility Trophy, value 25 Guineas. Presented by members of the AUSTRALIAN ILLAWARRA SHORTHORN SOCIETY, N.S.W. BRANCHES. For the cow securing the greatest number of points for type and production. To be eligible for this prize cows must, during the period of the test, produce not less than 40lb. of milk (allowing for age standard for younger cows) with a butter-fat content of not less than the Government Official Standard. All cows must be stalled and stripped out under official supervision at 5 p.m. on Saturday, 16th March, 1940, at which hour a twenty-four hours' test on the basis of two milkings will commence, except in the case of an exhibitor who signifies on his entry form that he wishes his cow to be milked three times during the period of the test. The first milking will take place at 5 a.m. on Sunday, 17th March, and the final milking at 5 p.m. on the same day; where a cow is milked on three occasions, the second milking will take place at 12 noon. Each cow may be allotted up to 60 points for breed type, to which will be added points for production as hereafter mentioned. The former shall be awarded by the Sectional Judge on the completion of his judging of Class 144. The production points will be awarded on the following basis after allowance has been made for age standard which shall be restricted to cows six years old and under—One point shall be awarded for every lb. produced between 40lb. and 70lb., and 1 point in excess of 70lb. The cow securing the highest points for both type and production shall be the winner. In the event of more than one cow securing the exact number of total points the prize shall be awarded to the exhibit whose milk contains the highest butter-fat content. Should a cow be fed while being milked the same class of feed must be used during each of the milkings. Cows shall not be removed from their stalls without the permission of the Cattle Superintendent. The Trophy before being won outright must be won on three occasions by the same exhibitor but not necessarily in succession. The exhibitor winning the prize each year shall be awarded a special prize of £5 5s., and shall hold the trophy for the year in which it is won until within one month of the succeeding Royal Easter Show. The name of each winning exhibitor will be inscribed on the Trophy. Exhibits in this class may be drawn from general classes.
