WOOL AWAY!

"Don't worry—
I'm sending it to Grazcos"

**THE GRAZCOS
Classing & Pooling
Service**

GRAZCOS is the wool growers own co-operative organisation. It provides growers with an essential wool classing and pooling service.

Facilities are available for the classing of clips which cannot be prepared properly in the shed.

After classing, suitable lines are forwarded to the broker for sale under the station brand whilst the smaller lines are pooled.

The Grazcos pool is the ideal way to market oddments from the main clip, wool from straggler shearings and other wool oddments.

Last year more than 100,000 bales of wool, representing consignments from many thousands of individual growers, were sold under the widely known Grazcos brand.

This large volume of wool made it possible to present the wool in big even lines meeting with wide competition from buyers.
