Backbone of a nation

OUR NATION'S BACKBONE is its vast primary industry — its ribs the huge secondary industries that expand year by year as Australia takes bigger and still bigger breaths.

THE MEN OF THE BACKBONE — the wool, the wheat, the cattle men, the dairy farmers, fruit growers, bacon raisers, poultry men, fishermen — all these men have call for a banking service as expert and specialised as that received by their city brothers.

THROUGH THE LENGTH and breadth of Australia The E.S.&A. Bank has established branches — and appointed managers who really know the country and the countryman — his economic needs and his seasonal problems.

E.S.&A. MANAGERS soon acquire on-the-spot knowledge of local conditions, too. Adding this to their wide training in business and banking generally, they are fully equipped to give practical, down-to-earth financial advice to Australia's "backbone" men.

Full banking facilities available including Hire Purchase Finance through ESANDA LIMITED (Inc. in Vic.) to help you buy cars, business equipment, farm and earth moving equipment, household goods, etc. Call and discuss the details at our Showground office in the Manufacturers' Hall or with the manager of your nearest E.S.&A. Branch.

ROYAL EASTER SHOW 28th March to 8th April, 1958

MEASURING HORSES AND PONIES.

Horses, galloways, and ponies entered in classes for which the height is limited must be measured by the Official Measurer before competing. No exhibit shall be judged unless so measured.

THE OFFICIAL MEASURER WILL ATTEND THE SHOWGROUND ON WEDNESDAY, THURSDAY, FRIDAY, AND SATURDAY, 26th, 27th, 28th, and 29th MARCH. AN EXHIBIT WILL NOT BE MEASURED ON THE DAY IT IS TO BE JUDGED.

When measuring a horse, galloway, or pony, an allowance of half ($\frac{1}{2}$) of an inch is to be made for shoes. Where an exhibitor disagrees with the Official Measurer's figure for an animal which has been measured with shoes on he may, should he so desire, have it re-measured without shoes. The Official Measurer may, in his discretion, request the removal of shoes from any animal prior to measurement.

Should a horse, galloway, or pony be found by the Official Measurer to be over or under height for the class in which it has been entered it may be transferred to a corresponding horse, galloway, or pony class.

Horses, galloways, and ponies will not be measured unless the breast plate showing their number in the class for which they are being measured is produced to the Official Measurer for the purpose of enabling him to impress same with a rubber stamp showing the official measurement and his initials.

Life measurement certificates will only be issued for horses, galloways, or ponies, seven years old or over. A Life Certificate shall not be issued unless, at the time of measurement, the exhibit is unshod.

The Official Measurer will attend the Showground on Wednesday, Thursday, Friday, and Saturday, 26th, 27th, 28th, and 29th March, between 10 a.m. and 4 p.m. A pony will not be measured on the day it is to be judged.
