SPECIAL HORSE REGULATIONS.

Exhibitors are reminded that the Society's General Regulations apply to all sections of the Show and that the Special Regulations hereunder set out which apply to this section only are merely supplementary to the General Regulations.

PENALTY—NON-EXHIBITION OF HORSES.

In order to prevent the non-exhibition of animals which have been entered for the Show, thus causing unnecessary preparation, expense, and disarrangement of the Show yard, any person making any entry will be subject to a fine of £2 for each horse not exhibited, unless a certificate under the hand of the exhibitor or his authorised agent be lodged with the Director of the Society before the day of exhibition, to the effect that such non-exhibition is caused either by (1) the death of the animal or animals, or (2) contagious or infectious disease (confirmed by the explanatory certificate of a veterinary surgeon); or (3) by its becoming ineligible for the class in which it has been entered or other reasonable cause. The non-payment of such fines to debar all persons owing them from exhibiting at future exhibitions of the Society.

TROPHIES ON DISPLAY.

Trophies offered for competition in the Horse Section shall be on display in the special windows provided for the purpose in the Society's General Showground Office.

Age of Horses.

The age of all horses to be calculated as from the 1st August. Every horse foaled before 1st August in any year shall be deemed to be one year old on that date. A filly is defined as a female under 4 years of age.

Veterinary Certificate.

A certificate of soundness must be produced with:—

- Every stallion 2 years old and over.
- Trotting or Pacing Stallions in harness.
- Every mare in stud classes 3 years old and over;

before such horses shall be allowed to compete. The following certificates will be accepted:—

- Royal Agricultural Society of N.S.W.
- Stock Branch of the Department of Agriculture, N.S.W.
- The Government of any other Australian State or New Zealand, in which case an examination of the horse for identification purposes will be made by the Society's veterinary surgeons.

Stallions and mares will be examined on Thursday, 27th March, for soundness and conformation by a Board appointed by the Council of the Royal Agricultural Society of N.S.W., consisting of a breeder and two veterinary surgeons, and the Society's Certificate will be issued to each animal passed by such Board.

Weather permitting, veterinary examinations will be conducted in the centre of the main ring. Otherwise they will be carried out under the Martin and Angus Grandstand or in the Trotting Marshalling Yard.

VETERINARY EXAMINATIONS WILL NOT BE HELD AFTER THURSDAY, 27th MARCH.

Life certificates will be issued for stallions and mares (not geldings) passed as sound at six years of age, provided that the Certificate is issued after a special examination and by a Veterinary Surgeon specially appointed by the Society for the purpose.

A rig shall not be passed as a stallion.

Board of Appeal.—In the case of a horse being rejected for unsoundness, the Board of Appeal shall consist of three veterinary surgeons, and in the case of rejection on conformation the Board shall consist of two breeders and a veterinary surgeon. All appeals shall be decided previous to horses being judged. A deposit of one guinea must accompany each appeal.

Sec. 1—HORSES (Continued).

Nominations and Entries.

The expression "nomination" shall be deemed to be synonymous with Application for Entry, and "Certificate of Nomination" shall be deemed to be synonymous with Certificate of Entry.

All nominations should be made on the prescribed certificate of nomination. Certificates of nomination will be posted to exhibitors on application.

When forwarding nominations exhibitors should state the number of class (as per schedule) for which they desire to compete, together with the following description of the horse, viz.:—Name, colour, and sex, date foaled or age, name and address of breeder, name of sire, and name of dam. The colours for trotting contests must be stated. Every rider or driver in jumping or trotting events must give his name at the scales. All riders and drivers in jumping and trotting events must wear skull caps, which will be provided by the Society.

Exhibitors in stud classes will not be allowed more than three nominations or entries in any one class.

It shall be a condition of nomination in light horse, pony, hunting and jumping classes and contests (trotters excepted) that the performances of each horse or pony be stated on a Performance Form.

The exhibitor shall in his nomination form certify in respect of each exhibit where such exhibit is situated at date of the lodgment of the entry form.

Each exhibitor shall, if and when requested so to do, furnish such evidence as the Society may require as to the means by which the exhibit has been transported to the Showground from the place at which it was situated as at the date of lodgment of the relative nomination form and when such transport occurred, and as to whether the exhibit has been situated elsewhere than at the place stated in nomination form, and if so, where and for how long during the period between the date of lodgment of nomination form and date of arrival of the exhibit at the Showground.

No animal other than an exhibit in respect of which application for entry has been accepted by the Society shall be brought on to the Showground by any exhibitor or other person except with the consent of the Director.

NO HORSE SHALL BE DISPLAYED OR EXPOSED FOR SALE ON THE SHOWGROUND.

Every exhibitor warrants that he is the absolute owner of every animal brought by him or by his authority on to the Showground and agrees to indemnify and shall indemnify the Society against all claims on whatsoever ground and for whatsoever cause made against the Society in respect of such animal at the instance of any other person.

If, in the opinion of a Veterinary Surgeon of the Society, an animal on the Showground shall be so injured or be so affected by sickness, disease or other ailment as to warrant its destruction or its removal from the Showground as the case may be, the Society shall be entitled to have the animal destroyed and/or removed from the Showground and/or shall be entitled to require the owner to forthwith remove the animal from the Showground. All costs incurred by the Society in connection with such animal shall be for the account of the owner and shall be refunded by him to the Society.

Performance Form.

A performance form for the purpose of conveying the information specified hereunder is to be completed for each horse or pony (Trotters excepted). This form is to be forwarded with the Nomination form and fees to reach the Director not later than Wednesday, 11th December, 1957. Should either the performance form or the fees be omitted the Nomination form shall be returned to the applicant as incomplete. In the event of the nomination not having been re-submitted in proper order to reach the Director not later than Wednesday, 11th December, 1957, the application shall be deemed to have been cancelled. The closing date of nomination shall not be extended for any reason whatsoever.

Information to be furnished on the performance form is:—

- (a) Name of horse or pony. (A separate form to be completed for each exhibit);
- (b) Age of horse or pony. (State day, month, and year of foaling, if known);
- (c) Prizes gained by the horse or pony nominated, viz.:—Name of Show: Date of Show: Prizes—first, second, or third, etc. (If a horse or pony was exhibited and was not awarded a prize, such is to be stated);
- (d) Name of exhibitor;
- (e) Remarks. (Briefly to be stated the nature of the class in which the exhibit was entered and/or gained prizes. The approximate number of exhibits in such class to be given).

From the nominations the Society will determine which entries are to be accepted. Not later than the 1st March, 1958, the Society will advise all nominators whether their horse or pony's nomination has been accepted as an entry for competition at the 1958 Royal Easter Show in the class or classes stated. The exhibitor will also be advised, as early as practicable after entries have been accepted, whether a stall, on the Showground or otherwise, has been allocated the horse or pony for which the entry has been accepted. See Regulation concerning the payment for stalls.

Fees for horses or ponies for which nomination is made and the entry not accepted shall be refunded.

Measuring Horses and Ponies.

Horses, galloways, and ponies entered in classes for which the height is limited must be measured by the Official Measurer before competing. No exhibit shall be judged unless so measured.

THE OFFICIAL MEASURER WILL ATTEND THE SHOWGROUND ON WEDNESDAY, THURSDAY, FRIDAY AND SATURDAY, 26th, 27th, 28th and 29th MARCH. AN EXHIBIT WILL NOT BE MEASURED ON THE DAY IT IS TO BE JUDGED.

When measuring a horse, galloway, or pony, an allowance of one half (1/2) of an inch is to be made for shoes. Where an exhibitor disagrees with the Official Measurer's figure for an animal which has been measured with shoes on, he may, should he so desire, have it re-measured without shoes. The Official Measurer may, in his discretion, request the removal of shoes from any animal prior to measurement.

Should a horse, galloway, or pony be found by the Official Measurer to be over or under height for the class in which it has been entered it may be transferred to a corresponding horse, galloway, or pony class.

Horses, galloways, and ponies will not be measured unless the breast plate showing their number in the class for which they are being measured is produced to the Official Measurer for the purpose of enabling him to impress same with a rubber stamp showing the official measurement and his initials.

Life measurement certificates will only be issued for horses, galloways, or ponies, seven years old or over. A Life Certificate shall not be issued unless, at the time of measurement, the exhibit is unshod.

Horses, galloways, and ponies will be measured by the Official Measurer, for Life Certificates on Tuesday, 8th April.

Time-Table of Judging.

A time-table of judging of all classes and events will be posted to each exhibitor after entries close. When framing the Time-Table of Judging every endeavour will be made to avoid the judging of two classes concurrently in which one exhibitor may be interested. The Society, however, cannot accept any responsibility if the judging time happens to conflict with one or more classes or events.

SCRATCHINGS.

Exhibitors and/or nominators will be subject to a fine of £2 for each horse not exhibited in each and every event for which it has been nominated unless notification of the scratching is made in writing to the Horse Superintendent as follows:

For any event other than trotting events: Not later than 7 p.m. on the day before that on which an event is scheduled to take place.

For trotting events: At least 24 hours before the event is timed to commence, notification to be made to the Society's official in the Trotting Marshalling Yard.

Sec. 1—HORSES (Continued).

ALLOCATION OF STALLS AND BOXES.
(Limited Number Available).

Except in the case of horses competing solely in riding classes or in riding events, the Society, to the extent to which stalls and/or boxes are for the time being available, and SUBJECT TO THE PAYMENT BY THE EXHIBITOR OF £2 IN RESPECT OF EACH EXHIBIT (WHICH PAYMENT SHALL ACCOMPANY HIS APPLICATION FOR ENTRY OF SUCH EXHIBIT) will allocate one or more stalls and/or boxes to each exhibitor according to the number and composition of the exhibitor's exhibits and each allocation shall be made as soon as practicable after the closing date of entries. Each exhibitor will be given particulars of each allocation to him.

The Society will in due course refund to the exhibitor the £2 so paid in respect of an exhibit if—

- no stall or box shall be allocated for use of such entry either alone or in company with some other entry or entries;
- the stall or box has been used throughout the period of the Show by the exhibit or exhibits for which it was allocated and the stall or box has been used in accordance with the Show Regulations and not otherwise;
- if, during the currency of the Show, the Society cancels the allotment but such cancellation has not been induced by any contravention of or non-compliance with the Show Regulations on the part of the exhibitor, or by reason of the non-use of the box or stall for the purpose for which it was allocated, or
- if the allocation of the stall or box has been cancelled by the Society prior to the commencing day of the Show pursuant to a written request of the exhibitor for such cancellation.

One box will be set aside by the Society in respect of every 15 horses to be used for the storage of feed; the owners of the horses may use the box in common only with each other and for the purposes only for which it is allocated.

Any horse found in a stall or box not allocated to such horse shall, if so required by the Director, be immediately removed from the Showground and shall not again enter the Showground except with the written consent of the Director.

Except by order of the Director no number or other mark of identification placed by the Society on or in a stall or box whether by placard, painting, posting or otherwise, shall be removed, disfigured or altered, nor shall any other notice, number or mark be posted or placed in or upon such stall or box. The observance of this Regulation shall be the responsibility of the exhibitor to whom the stall or box is allocated.

No stall or box shall be used other than for the animal and for the purpose for which it has been allotted to the exhibitor, and the exhibitor shall be responsible for ensuring that no breach of this provision occurs.

The Society may at any time, whether before or during the currency of the Show, revoke the allotment of any box or stall and may or may not at its discretion allot some other box or stall to the exhibitor.

Upon the revocation of any allotment of a box or stall the exhibitor whose allotment has been revoked shall immediately vacate the same and give vacant possession to the Society.

Bedding and feed will be placed in boxes at the expense of exhibitor before the arrival of horses, provided the Director is notified of the time of arrival. Exhibitors must not use sawdust and/or wood shavings in bedding down their horses.

Should an exhibitor desire to have his exhibits stalled adjacent to those of another exhibitor, he must append a note to this effect on the Certificate of Nomination.

SEE REGULATION WITH RESPECT TO REFUND OF STALL FEES.

- ARM BAND NUMBERS:** For riders entered in Riding Exhibitions. Each rider will carry the same Arm Band number in each event he or she contests in these competitions.

SEE REGULATION WITH RESPECT TO DEPOSIT ON ARM BAND NUMBERS.

On all occasions the Exhibit Numbers (Breast Plate Number, Jacket Number or Arm Band Number) must be affixed to each horse or rider before arrival at the Marshalling Yard preparatory to entering the ring. Arm Bands and jacket numbers must be returned to the Official appointed for the purpose, at the Horse Superintendent's Office, when the last event in which each horse or rider is to compete at the Show has been judged. It shall be the responsibility of each exhibitor or competitor to ensure that the correct exhibit number is carried by the horse or rider. Pass-out checks and return railway certificates may also be obtained at the Horse Superintendent's Office.

Wearing of Jacket Numbers.

Every exhibit whilst in the ring and being exhibited for the purpose of competition or parading in any hunting or jumping class shall wear a Jacket Number which subject to these regulations will be provided by the Society and which shall bear the certified number allocated to the exhibit in the class in which the exhibit is for the time being competing or parading.

The Jacket Number to be worn by each exhibit in such a manner as to show the number as conspicuously as possible.

Each application for entry in a hunting or jumping class shall be deemed an application for a numbered Jacket Number. The Jacket Number shall remain the property of the Society subject only to the exhibitor's right to use same in the Show Ring during the particular Show in respect of which it is issued and it shall be returned to the Society's Horse Superintendent in good order and undamaged condition prior to the exhibit leaving the Showground or at the close of the Show whichever be the earlier.

The fee of £2 paid in respect of Stall accommodation shall not be refunded unless the Jacket Number issued to the exhibit in respect of the relative exhibit has been returned to the Horse Superintendent in good order and undamaged condition within the prescribed time as hereinbefore provided.

Wearing of Arm Band Numbers.

Every rider whilst in the Ring for the purpose of competition or parading in any Riding Exhibition shall wear an arm band number which subject to these regulations will be provided by the Society and which shall bear the certified number allocated to the rider in the class in which the exhibit is for the time being competing or parading.

Each application for entry in a riding competition shall be deemed an application for an Arm Band Number. The Arm Band Number shall remain the property of the Society subject only to the exhibitor's right to use same in the Show Ring during the particular Show in respect of which it is issued and it shall be returned to the Society's Horse Superintendent in good order and undamaged condition prior to the competitor leaving the Showground or at the close of the Show whichever be the earlier.

A fee of £1 shall be charged in respect of each pair of Arm Bands issued and must be paid to the official appointed for that purpose at the Horse Superintendent's office, when the Arm Bands are issued. This fee shall not be refunded unless the Arm Band Numbers issued to the competitor have been returned to the Horse Superintendent in good order and undamaged condition within the prescribed time as hereinbefore provided.

Sec. 1—HORSES (Continued).

Marshalling Yard.

No exhibitor or attendant will be permitted to enter the Marshalling Yard unless his or her horse has affixed to it an Exhibit Number and is required to enter the ring to compete in a Class or Event.

A competitor in riding events will be permitted to enter the Marshalling Yard provided that he or she is mounted, has an Arm Band Number affixed and is required in the ring to compete in an Event. Entry to the Marshalling Yard does not entitle an exhibitor, a rider or an attendant to enter the Jockey Stand.

Parades.

Each exhibit must be paraded as from time to time directed by the Society. Each exhibit, whilst participating in a parade, must for identification purposes carry a breast plate provided for the purpose by the Society in such manner as the Society may direct and in particular so that it may be readily seen by spectators and so that the animal may be readily identified by the number assigned to it.

Every rider and every attendant of an exhibit must be attired in accordance with directions given from time to time by the Society.

All horses must parade as they are shown in their competitive classes daily. Any exhibitor who fails to parade his horses shall forfeit all prize money (if any) won by him and be liable to a fine of £5 for each animal not paraded. A special parade of prize winners will be held on a day to be fixed if time permits. Should a horse be sold prior to the close of the Show, the entrant shall be responsible for the observance of the Parade regulations. The Committee may grant exemption to any exhibit from participating in the Grand Parade.

This rule will be strictly enforced.

Age and Weight Restrictions in Hunting and Jumping Contests.

Unless otherwise stated a lady competing in a Hunting or Jumping Contest must be 16 years of age or older. Unless otherwise stated ladies competing in Hunting Contests shall not be restricted to a weight limitation.

Judge's Authority—Ladies' Hunting Events.

A Judge in any Ladies' Hunting Event may warn off a horse which in his opinion is unfit to be ridden by a lady in such event.

Substitute Judge.

The Council reserves the right to substitute a judge when deemed necessary.

Pavilions Open to Public.

The Horse Pavilions (see exceptions) shall be open to the public daily from 9 a.m. to 9 p.m., Monday, 31st March, and Good Friday, 4th April excepted, on which days they shall be closed at 6 p.m.

All Horse Pavilions will be closed to the public one-half hour before and after each Grand Parade.

Departures.

All horses except those competing in contests to take place after 5 p.m., Tuesday, 8th April, may depart from the Show on that day at 5 p.m.

Horses must not be removed from the ground unless a pass (obtainable from the Superintendent) is presented to the gatekeeper.

Exhibitors wishing to keep their horses on the Showground after the conclusion of the Show must obtain permission from the Director who may grant the privilege for a period not exceeding 14 days.

Railway Certificates.

Certificates granting reduced rail carriage of horses, returning to the station they were trucked from, must be obtained at the Superintendent's office. These certificates must be obtained before the horses leave the ground, and must be presented at the time of consigning, otherwise full trainage will be charged. A concession rail certificate will not be issued unless the exhibit is returned to the station whence it was trucked within four weeks of the date of the forward journey.

Exhibitors—Third Party Risk.

It is the practice of the Society to take out a policy of insurance purporting to cover the legal liability on the part of an exhibitor of live stock towards any third party in respect of damage to the person or property of such third party caused by any fractious act on the part of any exhibit of the exhibitor whilst on the Showground provided always that, for the purposes of this regulation, the term "live stock" shall be confined to horses, cattle, goats, pigs, poultry, dogs, and cats.

The Society, however, shall not be liable to any exhibitor if it shall fail to take out a policy of insurance effectively protecting any exhibitor or exhibitors against any such claim.

ALLOCATION OF STALLS AND BOXES.

(Limited Number Available).

The attention of intending exhibitors is drawn to the Regulation relative to the allocation of stalls and boxes. Same will be rigidly enforced.

ADMISSION TO JOCKEYS' STAND.

The Society will issue a limited number of tickets the holders of which will be admitted to the Jockey Stand enclosure. Any person not in possession of a ticket shall not be entitled to enter or remain in the enclosure.

FODDER.

It is the responsibility of the exhibitor to arrange for his fodder requirements. The sale of all fodder is in the hands of the Official Produce Merchant, whose store on the Showground will be open during the Show.

Fodder shall not be admitted to or removed from the Showground without authority. For purposes of admission, a written order must be presented to the gatekeeper by the exhibitor or his representative, or by an outside merchant when making deliveries on behalf of an exhibitor. In the case of removal an official pass-out check is required. Admission orders and pass-out checks are obtainable from the Director.

For the convenience of exhibitors or other persons specially authorised to enter or leave the Showground with fodder, gates have been allocated as follows:—

- Entry—Furber Road.
- Exit—(a) From the Horse Section—Lang Road.
(b) From Cattle and Pig Sections—Paddington.

Conveyances may enter the Showground between 6 a.m. and 8.30 a.m. and must leave by 9.30 a.m. on ordinary days, or by 9 a.m. on Good Friday, Easter Saturday, and Easter Monday.

HACKS
PONIES.

GELDINGS AND MARES.

Judge: W. H. Wright, "Nondo," Holmwood, N.S.W.

Stewards: N. C. Reading (Chief), S. A. Bowman, G. A. G. MacLeod, J. Reading

Ponies must be measured by the Official Measurer.

Ladies and Gentlemen may ride in the Saddle Pony classes.

MEASURING OF EXHIBITS.

All ponies must be officially measured. The Official Measurer shall set out the height, duly initialled, on the imprint of a rubber stamp applied to the breasts plate of the animal in question.

No exhibit shall be judged unless the breast plate has been so marked.

The Official Measurer will attend the Show-ground on Wednesday, Thursday, Friday, and Saturday, 26th, 27th, 28th and 29th March, between 10 a.m. and 4 p.m. A pony will not be measured on the day it is to be judged. Should a pony be found by the Official Measurer to be over or under height for the class in which it has been entered it may be transferred to a corresponding pony or horse saddle class.

RIDERS TO BE SUITABLY ATTIRED.

A contestant who, in the opinion of the Stewards, is not attired in accordance with the standards laid down by the Society shall not be permitted to compete.

(SEE PAGE 1-2 FOR SUGGESTED ATTIRE.)
ALLOCATION OF STALLS AND BOXES.

(Limited Number Available).

The attention of intending exhibitors is drawn to the Regulation relative to the allocation of stalls and boxes. Same will be rigidly enforced.

PARADES.

All horses must parade as they are shown in their competitive classes daily. Any exhibitor who fails to parade his horses shall forfeit all prize money (if any) won by him and be liable to a fine of £5 for each animal not paraded. A special parade of prize winners will be held on a day to be fixed if time permits. Should a horse be sold prior to the close of the Show, the entrant shall be responsible for the observance of the Parade Regulations.

This rule will be strictly enforced.

SCRATCHINGS.

Exhibitors and/or nominators will be subject to a fine of £2 for each horse not exhibited in each and every event for which it has been nominated unless notification of the scratching is made in writing to the Horse Superintendent NOT LATER THAN 7 P.M. ON THE DAY BEFORE THAT ON WHICH AN EVENT IS SCHEDULED TO TAKE PLACE.

ELIGIBILITY OF ENTRY.

An exhibit may be nominated in all classes for which it is eligible, provided the nomination has been made in the usual way.

An exhibit which has won in a pairs and or fours class is still considered a Maiden or a Novice as the case may be for a single class.

EXHIBIT NUMBERS.

Exhibit numbers for exhibits will be supplied at the Horse Superintendent's Office, situated in the Horse Section, on the following basis:—

(a) BREAST PLATE NUMBERS: For horses and ponies exhibited in Stud, Saddle, Miscellaneous, Harness and Business Turnout Classes. Each horse or pony will carry the same Breast Plate number in all events it contests in the aforesaid classes.

(b) JACKET NUMBERS: For horses and ponies competing in Hunting and Jumping Exhibitions.

The same Jacket number will be affixed to the rider of the horse or pony in all events in which it competes in these exhibitions. See regulation with respect to refund of stall fees.

(c) ARM BAND NUMBERS: For riders entered in Riding Exhibitions.

Each rider will carry the same Arm Band number in each event he or she contests in these competitions. See regulation with respect to deposit on Arm Band numbers.

On all occasions the Exhibit Numbers (Breast Plate number, Jacket number or Arm Band number) must be affixed to each horse or rider before arrival at the Marshalling Yard preparatory to entering the ring. Arm Bands and Jacket numbers must be returned to the Official appointed for the purpose, at the Horse Superintendent's Office, when the last event in which each horse or rider is to compete at the Show has been judged. It shall be the responsibility of each exhibitor or competitor to ensure that the correct exhibit number is carried by the horse or rider.

The prize shall be determined as follows:—Each first prize to count as three points, second as two, third as one, and an additional point for Champion and Reserve Champion. The exhibitor gaining the highest number of points shall be the winner.

(Conditions of Competition for Classes 202 and 203).

- Each Agricultural Society or Association in New South Wales, or a Pony Club, or a Riding Club, or a Gymkhana Club or Society in New South Wales, recognised by the Royal Agricultural Society of N.S.W., is invited to conduct a "Good Hands" Qualifying Riding Contest annually.
- The contests shall be restricted to boy and girl riders under 16 years of age on the day of competition. Competitors are restricted to pony or galloway mounts.
- The competitors shall be judged solely on their riding ability, special attention being paid to hands and seat, general management and control of the horse or pony. Horse or pony, saddlery, or costume will not be taken into account.
- The Society, Association, or Club conducting the contests shall provide and award trophies as prizes.
- A Society, Association, or Club conducting a contest shall notify the Royal Agricultural Society of N.S.W., the names and addresses of the winners and "runners-up" of its contests. Should, for any reason whatsoever, a winner of a "Good Hands" Qualifying Riding Contest be unable to compete for the Challenge Contest, as hereinafter stated, the "runner-up" may be substituted.

Sec. 1—HORSES—Riding Competitions (Continued), and Trained Pony Test.

TRAINED PONY TEST.

(To be conducted in Centennial Park).

CLASS 204—THE "FERRIS BROS." TRAINED PONY TEST.

(Girl or Boy Riders).

(Special Prizes)—Cups, Trophies, or Open Orders to the value of £20, presented by Ferris Bros. Pty., Ltd., Makers of "Ferris" Car Radio and Television Receivers, 252 Dowling-st., East Sydney. First, £12 10s.; second, £5; third, £2 10s.; fourth, fifth and sixth, Ribbons. For the best trained pony, not exceeding 14 hands, to be ridden by a girl or boy under 17 years of age on the first day of the 1958 Royal Easter Show. The birth certificate of each rider must be produced at the time of making the entry, when the certificate of entry will be endorsed accordingly. The Committee also reserves the right to again review a birth certificate.

Handicaps—Ponies which have won two Trained Pony Tests will not be debarred from competing in this class but will incur a handicap of 5 points with a further 5 points for each additional win, e.g. Penalty of 5 points after winning two Trained Pony Tests, penalty of 10 points after winning three Trained Pony Tests.

TRAINING TESTS.

The object of these elementary training tests is to encourage progressive training of both rider and pony. They can be used in judging horsemanship or the training of a pony or both. These tests, in their turn, form the basis for and lead up to adult dressage tests.

GENERAL REMARKS.

- Pony should be straight, head steady, reins in constant contact with mouth. Halt should be firm and square with the horse's weight on all four legs.
- Turn on forehand. Pivot on near-fore leg, no raising of head—momentary halt on completion of movement.
- As above, except that the off-fore leg acts as pivot.
- Transition from one pace to the other should be smooth and definite. A lengthening of the stride should be shown at the strong trot, with the hocks well engaged (not left behind), steps should be even. When reducing the pace, the weight should not be thrown on the forehand and there should be no quickening of the cadence.

- The Royal Agricultural Society of N.S.W. shall award an R.A.S. Qualifying Certificate to the winner of each "Good Hands" Qualifying Riding Contest.
- The holder of an R.A.S. Qualifying Certificate shall not be eligible to compete for a second certificate within a period of 12 months.

CHALLENGE CONTESTS.

- The Challenge Contests shall be judged at the 1958 Royal Easter Show on the same basis as the Qualifying Contests. The judge, before making his final award, shall require six finalists to execute a figure 8 at a canter, ride away from the judge, return at a slow canter, stop at the judge's signal, and back.
- The Challenge Contests shall be restricted to competitors who have gained a Qualifying Riding Certificate since the 1957 Royal Easter Show.
- The Challenge Trophies will be engraved with the name of the winner, who shall hold same until within one month of the succeeding Royal Easter Show.
- Competitors are restricted to pony or galloway mounts.
- The Society may, at its discretion, vary the conditions governing the "Good Hands" Challenge Riding Contests.
- Entries finally close (see exception) on Wednesday, 11th December, 1957. Should a "Good Hands" Qualifying Riding Contest be conducted, in accordance with clause 1 hereof, subsequent to Wednesday, 11th December, 1957, the Society, Association or Club concerned may submit nominations, in its own name, on or before Wednesday, 11th December, 1957, provided the names of the winners are furnished to the Director of the Royal Agricultural Society of N.S.W. not later than the day before the Challenge Contest is scheduled to be judged.

The Society, Association, or Club which conducted the "Good Hands" Qualifying Riding Contest must submit the nomination/s on behalf of their winner/s.

Sec. 1—HORSES—Trained Pony Test (Continued).

5. In this circle the pony should be bent to the left, and must perform an even circle coming in contact with X in the centre and regaining the track at the quarter markers (marked 11 yards on either side of B and E) and at C.
6. The pony should strike off into a canter at C, the head should not be bent outwards and the quarters should not be allowed to swing to the inside. The circle should be performed as in the trot.
7. The strong canter is not a racing gallop, but a balanced lengthening of the stride showing a definite increase of pace. Transitions from one pace to another should be smooth and on the hocks.
8. Time allowed for each competitor: Eight minutes. The time will be counted from the exact moment, after the salute to the judges, when the pony moves forward until the pony is brought to a standstill at the end of the test, and the rider salutes the judges. For every second exceeding the time allowed a penalty of a half-mark will be deducted from the score sheet.

SADDLERY.

To be ridden in an Ordinary Snaffle. An ordinary snaffle is a plain snaffle with a straight bar or not more than one joint. The mouthpiece must be smooth and be of metal.

DEFINITION OF PACES.

(In accordance with the Statutes and General Regulations of the Federation Equestre Internationale.)

Halt:—At the halt the pony, standing square on his four legs and immobile, must be ready to move forward at the least pressure of the rider's legs.

Extended Walk:—At the extended walk, the pony should cover as much ground as quickly as possible WITHOUT haste and without breaking. The hind legs passing clearly beyond the tracks of the fore legs. The rider gives freedom to the head and neck of the pony without, however, losing contact, so as to be able at any moment to make the pony change his pace, his speed, or his direction.

Extended Trot:—at the extended trot, the pony extends his action, his neck is stretched, his shoulders vigorously driven on by the haunches, gains ground forward without noticeably increasing height.

Ordinary Walk:—The ordinary walk is a free, regular and unrestrained walk. The pony walks

briskly, but with a calm, deliberate and even step, each clearly marked, distinct and equally spaced. The rider keeps a light and steady contact on the reins.

Ordinary Trot:—The ordinary trot is a pace between an extended and a collected trot. The pony goes forward freely and quite straight, engages his haunches which remain very active, pulls gently at the reins with a balanced and even bearing. His strides should be as far as possible equal; the hind legs follow exactly in the tracks of the fore-legs.

Ordinary Canter:—The ordinary canter is a pace between an extended and collected canter. The pony perfectly straight from the poll to the tail, goes freely with a natural balance.

Rein-back:—The rein-back is the walk backwards of the pony. It is correct when the pony lifts his feet and brings them down in pairs diagonally almost simultaneously, the haunches remaining well in line. The pony walks back step by step, constantly ready, at the wish of the rider, either to halt or to advance without halting.

Comments:

1. All movements in Dressage tests may be progressive unless otherwise stated. It is, therefore, better to put in one or two strides at the walk, and get the "move-off" smooth and straight, than to try to break straight into the trot and cause the movement to be rough and crooked.
2. In the extended trot make the horse lengthen his stride and let there be a definite difference between the extended and the ordinary trot. Be careful to maintain the cadence throughout the transition and the correct bend round the corners. Keep the ordinary trot lively though with shortened strides and the same cadence.
3. Make good wide loops, making sure you go right up to the side line. It is better even to come back a little at the end of each loop as you pass the centre and then change the bend smoothly. Keep the slow trot active.
4. In the halt, the horse must stand absolutely still on all four legs on the track parallel to the long side and remain on the bit. Count six slowly. The horse must move off smoothly, remaining on the bit without throwing up his head.
5. Turn about on the haunches, the inside hind-leg being the pivot, the fore-legs performing a semi-circle with even strides round this pivot, the outside fore-leg moving over and in front to the left. The pivoting leg when raised should be replaced on the same spot; it is a bad fault if it is drawn back. The horse should be flexed in the direction of the turn, but the neck should not be bent. The rider's outside hand should not be carried across the withers.

Storage Battery, Trolley Poles and Diesel Mine Locomotives. —>

Sec. 1—HORSES—Trained Pony Test (Continued).

As soon as the turn is completed and the horse parallel to the long side he should proceed at once at the walk. After three or four strides at the walk break into the canter. Here the transition should not be progressive as it definitely lays down that the canter be done from the walk. Be careful to avoid the quarters coming in and the head being bent out or thrown up.

6. Be sure that the circle is round and goes well up to the prescribed dimensions. There should be no variation in the pace. The horse should be flexed in the direction to which he is going and the hind legs follow in the tracks of the fore-legs.

A very common fault is that the second half of the circle is flatter than the first; it is better to err in the other direction as if the second half of the circle is flat it makes a more abrupt return to the long side and prevents it from being smooth.

7. Come smoothly away from the short side, make the loops well up to but not beyond the quarter lines and maintain the same bend throughout. The horse should always be bent to the leading leg whether cantering false or true. Be careful not to get on two tracks and be sure to make all three loops the same size.
8. The old canter should be continued to within six feet of the prescribed point and the change produced progressively, i.e., through the trot. There should be at least one stride at the walk and the new canter obtained from the walk not more than six feet beyond the prescribed point. The horse's body must remain straight on the diagonal line throughout.
9. After the salute, the horse must move off with a loose rein straight towards the judges. The aid to turn may be given by a slight contact of the outside rein, the horse then being allowed to walk up the long side with a loose rein.
10. The horse should go freely and actively forward, maintaining activity and cadence in all paces, with smooth transitions. Good and steady head and tall carriage, no raising or beating of the head, no tail swishing. Clear four-time walk evenly spaced. Springing activity from one diagonal to the other in the trot. Canter definitely three-time and straight.
11. Rider's body should be upright with seat well down in the saddle and should be still, the hands and the legs steady. The hands must always remain on their own side of the horse's neck with the elbows close to the sides and legs should never be in front of the perpendicular. The heels well down even when giving aids and knees turned well in to the saddle. All aids should be correct and as invisible as the training of the horse permits.

GENERAL CONDITIONS

1. General

This competition is conducted in accordance with the Statutes and General Regulations of the Federation Equestre Internationale and the special regulations detailed in this programme.

2. Dress

Uniform, hunting attire or dark jacket, with hat or hunting cap.

The carrying of a whip during the dressage test is forbidden. For the cross-country, speed and endurance test a hard hat or crash helmet must be worn by all competitors.

3. Spurs

Only blunt spurs, without rowels, may be used for the cross-country, speed and endurance test and all spurs will be inspected.

4. Saddlery

Dressage test: English saddle, double bridle and curb chain with padding if necessary. Martingales, bearing reins, bandages, gaiters and blinkers of any kind are forbidden.

Cross-country, speed and endurance test and jumping test with the exception of blinkers, which are forbidden, the choice of saddlery is optional.

5. Qualifications

Competitors must be over the age of 17 years on the first day of the Trial.

All horses must be 15 hands high or over and must be 5 years of age or over.

Each horse must be ridden by the same rider in all phases of the Trial.

6. Examination of Horses

Horses will be examined prior to the dressage test and the jumping test by a committee composed of three members and a veterinary officer. This committee, on its own responsibility and without question, has the right to exclude from taking part in the competition or in the last test

- a) horses which are obviously exhausted,
- b) horses which have become lame from any cause whatever,
- c) horses which have been subjected to any special treatment (sedative, stimulant). Anti-tetanus injections may only be given by or under the personal supervision of the official veterinary surgeons. Horses treated for colic, duly certified by the official veterinary surgeon, may, in exceptional circumstances, be allowed to continue the competition and to participate in the classification if they have not been eliminated in the course of the competition.

7. Weights

	Men	Women
Dressage	No limit	

Cross-country, speed and endurance	165 lb.	154 lb. minimum
--	---------	-----------------

Jumping	165 lb.	154 lb. minimum
-----------------	---------	-----------------

These weights include the saddle and weight-cloth.

Any loss of weight during the competition involves elimination, but, on dismounting, the bridle may be used to make up the required weight if necessary.

The weighing of riders before and after the cross-country, speed and endurance and the jumping tests will be carried out in the presence of an official appointed for the purpose, in the special enclosure reserved for weighing.

It is absolutely forbidden for riders to dismount on completing the course until ordered to do so by the steward in charge. Any infringement of this rule entails elimination.

8. System of Marking and Classification

Elimination in any one of the tests or phases entails elimination from the whole event.

Final placings in the competition are obtained by totalling all the faults or penalty marks incurred throughout the three tests and subtracting from this total any bonus points gained in the steeplechase and cross-country phases. The competitor with the least penalty points is the winner.

In the event of equality of marks, the competitor with the highest bonus marks in the cross-country phase is the winner.

If there is still equality of marks, the bonus marks for the steeplechase phase are added to those for the cross-country.

9. Obstacles

The outline of the obstacles for the speed and endurance test and the jumping test will not be published in advance, nor will they be printed in the regulations. Competitors may not have any information regarding the obstacles before the official inspection of the course on the day before the competition.

10. Inspection of the Course

On the 30th March an official will conduct competitors, dismounted, on an inspection of the course and the jumps. Competitors may revisit the course after the official inspection, but on all occasions *they must be dismounted*.

11. Order of Starting

The order of starting will be fixed by draw and will be maintained throughout the competition.

The times at which competitors will be required to start will be posted up. Strict punctuality is essential and any competitor who is not ready to start any phase of the competition at the stipulated time is liable to elimination.

12. Liability

Neither the Royal Agricultural Society of N.S.W. nor the Equestrian Federation of Australia accepts liability for any accident, damage, injury or illness to horses, grooms, riders, spectators or any other persons or property whatsoever.

13. Protests

Only owners or riders of horses are entitled to lodge complaints or protests. Protests must be made in writing and accompanied by a deposit to the value of £1 1s. 0d. They must be addressed to the Director of the Royal Agricultural Society of N.S.W. Protests must be made not later than one hour after the happening which gave rise to them, one hour after the marks have been published or, in the case of protests against the qualifications of competitors or horses, not later than one hour before the start of the event.

All objections will be submitted to the judges and subsequently, in the event of an appeal, to the Jury of Appeal which will give its decision after investigation. This decision is final.

14. Committee's Rights

The Organising Committee reserves the right to:

- (a) withhold any prize or cancel any event because of insufficient entries,
- (b) alter the advertised times,
- (c) refuse entry, with or without stating the reason,
- (d) seed the order of starting for the Dressage test in the event of entries being so numerous that some of the dressage tests have to be judged on Sunday, 30th March.

15. Retiring

Competitors retiring from any part of the competition for any reason whatsoever must do so at a walk and must take every precaution to avoid disturbing other competitors.

16. Exercise

Competitors may exercise their horses in the area provided. They may not ride on, over or near any part of the course, nor enter the dressage arena, under penalty of elimination.

17. Orders

Riders and owners of competing horses and their grooms must obey any order or direction given to them by any responsible official and they must, in particular, be careful not to do anything liable to upset or hinder the undisturbed progress of the competition. Failure to comply with this ruling may entail elimination.

18. Equipment

It is the responsibility of the competitor to provide suitable saddlery and gear for the competition. If in the opinion of the Stewards a Competitor is not suitably equipped the competitor may not be permitted to start.

FIRST DAY DRESSAGE

The Test

The test will be the Elementary Test (Class E) and it will be interpreted with the relevant Statutes and Regulations of the Federation Equestre Internationale.

The object of this test is to prove the suppleness of the horse, its balance and obedience to the aids of the rider (responsiveness to leg, light in hand).

System of Marking

The 18 movements are awarded 0—6 good marks by each judge and two collective marks from 0—6 are awarded for general impression. There are therefore 120 good marks which can be awarded by each judge.

The marks of the three judges are averaged and the good marks thus obtained are subtracted from 120 to express the score in penalty points. Any penalties incurred for overtime or errors of course are then added.

Time

The time allowed for the test is 8 minutes, measured from the exact moment, after the salute to the judges, when the horse moves forward until the horse is brought to a standstill at the end of the test and the rider salutes the judges once more.

Time faults are incurred at the rate of half a point for every second taken over 8 minutes.

Errors of Course

The test must be executed from memory. Errors of course or wrong sequence of movements, whether corrected or not, are penalised as follows

First mistake . . .	2 points
Second mistake . . .	5 points
Third mistake . . .	10 points
Fourth mistake . . .	Elimination

Arena

The arena is 44 yards long and 22 yards wide and is separated from the spectators by a free space of 22 yards on all sides. Guiding marks are placed not less than 4 yards from the sides.

The centre line is marked throughout its length on the ground, with a dotted line 5½ yards away on either side. The position of the points G, I, X, L and D are each marked by a large spot.

All movements must be executed at the points indicated and the turns and circles within the prescribed dimensions. Unless a change of rein is indicated, all movements are carried out straight round the arena.

ELEMENTARY DRESSAGE TEST.

To be ridden with both hands.

JUDGE/S

SECOND DAY

CROSS-COUNTRY, SPEED and ENDURANCE

The Test

The test is over a course of 15 miles 347 yds, made up of five phases, the whole distance being completed without a break.

The object is to test the jumping, speed and endurance capabilities of the well-trained horse and to test the rider's judgment of pace and of the use of his horse across country.

Phases

Phase A: 7,260 yds over roads and tracks.

Phase B: 3,600 yds steeplechase (10 Fences).

Phase C: 8,137 yds over roads and tracks.

Phase D: 6,750 yds cross-country (30 fences).

Phase E: 1,000 yds on the flat.

The time for the whole distance will be 1 hour 20 minutes 44 seconds.

Pace

Riders are allowed to choose their pace. Horses may be led during Phases A and C, but competitors must pass the finishing post of each phase mounted and must remain mounted throughout Phases B, D and E. In all phases competitors must pass between the finishing posts.

Timing

Phases A, B, C, D and E are entirely independent of each other, so that a loss of time in one phase cannot be compensated by a gain of time in another.

A timetable for starting Phases A, B and D will be fixed and notified to competitors beforehand. Riders may halt in order to rest their horses before starting Phases B and D, but on completing these two phases must start immediately on Phases C and E. Therefore, the rest given, for instance, by a gain of two minutes on Phase B can only be taken before the start of Phase D. This gain does not give the rider any more time for Phase D, which must still be completed in the stipulated time.

Phases A and C (Roads and Tracks)

The course must be covered at a speed of 262 yds per minute. The time allowed is 27 mins. 43 secs. for Phase A, and 31 mins. 3 secs. for Phase C. The time limit is 33 mins. 16 secs. for Phase A and 37 mins. 16 secs. for Phase C.

A penalty of 5 marks is incurred for each commenced period of 5 seconds taken in excess of the time allowed, up to the time limit, after which competitors are eliminated.

No bonus is gained for completing the course in less than the time allowed.

Phase E

The course must be covered at a speed of 361 yards (330 metres) per minute. The time allowed is 2 mins. 46 secs.

The time limit is 3 mins. 19 secs. and the scale of penalties are as for Phases A and C.

No bonus is gained for completing the course in less than the time allowed.

Phase B (Steeplechase)

The course must be covered at a speed of 656 yards (600 metres) per minute. The time allowed is 5 mins. 29 secs. The time limit is 10 mins. 58 secs.

A penalty of three-fifths of a mark is incurred for every commenced second taken in excess of the time allowed, up to the time limit, after which competitors are eliminated.

A bonus of two-fifths of a mark is gained for each metre-per-minute of speed faster than 656 yards (600 metres) per minute up to a maximum speed of 755 yards (690 metres) per minute.

All times under 4 mins. 46 secs. will gain a maximum bonus of 36 points.

Penalties for faults at the obstacles are given below.

Phase D (Cross-Country)

The course must be covered at a speed of 492 yards (450 metres) per minute. The time allowed, 13 mins. 43 secs. The time limit is 27 mins. 26 secs.

A penalty of three-tenths of a mark is incurred for every commenced second taken in excess of the time allowed, up to the time limit, after which competitors are eliminated.

A bonus of three-fifths of a mark is gained for each metre per minute of speed faster than 492 yards (450 metres) per minute, up to a maximum speed of 624 yards (570 metres) per minute.

All times under 10 mins 49 secs. will gain a maximum bonus of 72 points.

Penalties for faults at the obstacles are as given below.

Penalty Zone

Faults (falls, refusals, disobedience, etc.) are only counted if they occur within an area surrounding each obstacle, known as the penalty zone. This zone is rectangular in shape, extending 10 metres (33 feet) before and 20 metres (66 feet) beyond the obstacle, to a width of 10 metres on each side of the boundary flags marking the limits of the obstacle. The zone is marked, for the guidance of the jump judge, with sawdust, chalk, pegs or any other means of clear demarcation which in no way obstruct the competitor.

Provided they occur outside this penalty zone, fall of horse or rider or both, disobedience on the part of the horse, circling or errors in the course if rectified, do not count, as they are automatically penalised by loss of time.

In the case of double, multiple or angled obstacles, where the penalty zones overlap, the zone extends continuously from the commencement of the zone at the first obstacle to the termination of the zone at the last obstacle, to an unlimited width.

N.B. The penalty zone is **not** marked with red and white boundary flags and the competitor may enter and leave the zone at whatever point he chooses.

Definition of Refusal, Run-Out and Circle

A horse is considered to have refused if it stops in front of the obstacle to be jumped. Stopping, without stepping back, followed *immediately* by a standing jump, is not penalised. If the halt is sustained or if the horse steps back even a single pace, voluntarily or not, this constitutes a refusal.

If a horse that has already stepped back once, even a single pace, is then represented at the obstacle and halts or steps back a second time, this constitutes a second refusal, and so on.

Each fence in a combination is considered as a separate obstacle and is numbered and judged independently. A competitor may therefore refuse three times at each of these obstacles without incurring elimination. The rider must not, under penalty of elimination, retake any part of an obstacle which he has already jumped; he must extricate himself as best he can.

If, however, the obstacle is formed of several elements on a different plane, such as banks, ramps, steps, or ditch and rails, and is designed as one complete test, the whole obstacle will be numbered as one. Should a competitor refuse at any part, he may return and retake the complete obstacle. All his attempts will be counted.

A horse is considered to have run-out if, having entered the penalty zone, it refuses to jump the obstacle but runs out to one side or the other, beyond the boundary flag.

A horse is considered to have circled if it recrosses its original track, from whichever direction, within the penalty zone.

If a horse completes a circle within the penalty zone while being represented at the obstacle after a refusal or run-out, it is only penalised for one refusal.

Definition of a Fall

A rider is considered to have fallen when he is separated from his horse, which has not fallen, in such a way as to necessitate remounting or vaulting into the saddle.

A horse is considered to have fallen when the shoulder and quarters have touched either the ground or the obstacle and the ground.

Boundary Flags

The start of all five phases is clearly defined by notices and by indicating pennants.

Boundary flags (red and white) mark turns in the course and the wings of the obstacles. They are so placed that the competitor must always have the red flag on his right and the white on his left. Passing the wrong side of a boundary flag, if not rectified, entails elimination.

If the competitor knocks down a boundary flag he is penalised 4 marks.

Direction Flags

Direction flags (yellow) are to mark the route and help the rider keep to the course. It is not necessary to pass close to them.

All boundary and direction flags are large and placed in a conspicuous position.

Obstacles

There will be 10 to 12 fences on the steeplechase course and 30 obstacles on the cross-country course. They will be rigid and, as far as possible, resemble natural objects (hedges, ditches, farm gates, brooks, streams, road-crossings, barriers, banks, etc.). With the exception of brush fences, they will not exceed 3 ft. 11 in. in height and the water jump will not exceed 13 ft. in spread.

Map

Each competitor will receive a map showing the plan of the course.

Unauthorised Assistance

It is forbidden to have recourse to outsiders for assistance. Any action by a third party, whether solicited or not, aimed at facilitating the task of the rider or helping the horse, is unauthorised assistance.

After a fall, bringing back the runaway horse, helping the rider to readjust his saddlery or to remount is not considered unauthorised assistance. The course must be resumed at the exact spot at which it was interrupted.

The judges have full power to decide whether a competitor will be eliminated or not.

THIRD DAY JUMPING

The Test

This third test of the Horse Trials is neither an ordinary show jumping competition nor a test of style or endurance. Its sole object is to prove that, on the day after making a tremendous effort, horses have retained the suppleness, energy and obedience necessary for them to continue in service.

The test is over a course not exceeding 1,000 yards. It will be irregular and winding, with halts, changes of direction and half turns.

There will be 9 to 12 obstacles, placed at appropriate distances from each other, between wings. They will be massive and imposing in shape and appearance. No fence will exceed 4 ft. in height or 4 ft. 6 in. in spread. The water jump will not exceed 11 ft. in spread.

Time

The test must be carried out at a speed of 437 yards per minute. The exact time allowed will be notified to competitors on the day of the test. The time limit is twice the time allowed.

A penalty of $\frac{1}{4}$ -mark is incurred for each commenced second taken in excess of the time allowed, up to the time limit, after which competitors are eliminated.

No bonus is gained for completing the course in less than the time allowed.

Penalties for Faults at the Obstacles	Marks
First disobedience of horse, knocking over an obstacle, feet in the water or in the ditch	10
Second disobedience of horse in whole test	20
Fall of horse and/or rider	30
Third disobedience of horse in whole test	} Elimination
Jumping obstacle in wrong order	
Error of course not rectified	

In all other respects the test is judged in accordance with the relevant rules of the Federation Equestre Internationale.

Sec. 1—HORSES—Hunting and Jumping Exhibitions (Continued).

HUNTERS AND JUMPERS TO BE MEASURED.

12. Horses, galloways, and ponies entered in jumping and hunting classes for which the height is limited must be measured by the official measurer before competing. Evidence of the horse, galloway, or pony having been measured must be available on demand.
13. The official measurer will attend the Show-ground on Wednesday, Thursday, Friday, and Saturday, 26th, 27th, 28th, and 29th March.
14. When measuring a horse, galloway, or pony an allowance of one-half (½) of an inch is to be made for shoes. Where an exhibitor disagrees with the Official Measurer's figure for an animal which has been measured with shoes on, he may, should he so desire, have it re-measured without shoes. The Official Measurer may, in his discretion, request the removal of shoes from any animal prior to measurement.

ENTRIES.

15. Where a class is divided into divisions for purposes of judging, nominations must be made in the division in which the nominator desires to compete. Should the Society find it necessary to transfer a nomination from the division in which the nomination was made, the transfer shall either be printed in the Catalogue, or the amended entries for such division(s) posted at the office of the Horse Superintendent not later than 9 a.m. on the day on which the class is scheduled to be judged.

NOMINATIONS.

16. The expression "nominator" shall mean a person making a nomination or application for entry.

DRAW FOR POSITIONS.

17. The order of starting in each event will be drawn for immediately after scratchings have closed each evening. A copy of such draw will be posted on the Notice Board at the Horse Superintendent's Office and also in the Marshalling Yard before the first event of the succeeding day commences. Should any horse and rider be not ready to enter the ring in accordance with this draw and when called upon by the Marshalling Yard Steward he will be automatically scratched and penalised in accordance with the Regulation regarding scratchings appearing on page 1-3.

The order of starting may only be altered by special permission of the Committee or in the event of a rider riding more than one horse being drawn too close together to make such order practicable.

COURSE AND OBSTACLES.

18. The course and the obstacles and the conditions of contest for use or application in the contesting and judging of each class will respectively be such as the Committee shall

in its discretion determine; course, obstacles, and conditions of competition will, however, correspond in the main with those recognised by the Federation Equestre Internationale.

19. The judge, in making his awards in respect of each jumping contest, shall take into account penalties prescribed by the Committee for FAULTS as set out on pages 1-72 and 1-73 of the Show Schedule.

DIVISIONS.

20. The Committee may at any time divide any class into two or more divisions and may determine that each division shall be limited to such number of horses as the Committee shall think fit.
21. Where the Committee has divided a class into two or more divisions and where notice of its having done so has been published, a nominator may indicate in his certificate of entry the division to which he prefers a particular exhibit to be allocated. In making its allocation the Committee will take into consideration any preference so declared but will not be bound to accede to same.
22. An exhibit shall not be eligible to compete in more than one division of a class.
23. Each division of a class shall be, and be conducted as, a separate class and prizes shall be awarded to the place getters in each division as though it were originally a class.
24. Except with the consent of the Committee no exhibit shall be withdrawn from a division of a class to which it has been allocated, and each nominator shall take all such steps as may be necessary to ensure that his exhibit will compete in the division of the class to which it has been allocated.

25. If a nominator desires to withdraw an exhibit from a division to which it has been allocated—
 - (a) he shall apply in writing to the Committee for consent to such withdrawal and any such application shall embody or be accompanied by a statement of the reasons for such withdrawal.

(b) the application must be lodged with the Horse Superintendent at least twenty-four (24) hours before the time at which the division is scheduled to be judged. The Committee may grant or withhold its consent as it may think fit.

26. If, without the consent of the Committee, an exhibit allocated to a division of a class shall not compete in that division, the Committee may declare such exhibit to be ineligible to compete in any other class or classes for which it might otherwise be eligible and may declare all or any other exhibits of the same nominator to be ineligible to compete in any class or classes for which such exhibit or exhibits would otherwise have been eligible.

27. The Committee may at any time withdraw any exhibit from one division to which it has been allocated and re-allocate the exhibit to some other division of the same class. But

Sec. 1—HORSES—Hunting and Jumping Exhibitions (Continued).

notice of such re-allocation shall as soon as practicable—

- (a) be given to the nominator, and
- (b) be posted at the office of the Horse Superintendent.

PRIZE MONEY.

28. The prize money originally allocated in the Prize Schedule to the divisions of a class shall not be disturbed unless the divisions of such class are amended after the closing date of nominations, in which case the allocation of the aggregate prize money amongst the divisions shall be, as nearly as practicable, pro rata to the number of entries allocated to the division or divisions respectively.
29. Notice of an alteration in the amount of prize money allocated to each division shall be posted up at the Horse Superintendent's office before 9 a.m. on the day upon which the class is scheduled to be judged.

JUMPING CONTESTS. GROUPS.

30. Jumping Contests will comprise five Groups, that is to say:—

Group "A"

For horses which are over 14.2 hands and which have won more than £50 in the aggregate in jumping events at Shows and against competition approved in each case for the purpose by the Society.

Group "B"

For horses which are over 14.2 hands and which have won a sum not exceeding £50 in the aggregate in jumping events at Shows and against competition approved in each case for the purpose by the Society.

Group "C"

For ponies and galloways which are not over 14.2 hands and which have won more than £40 in the aggregate in jumping events at shows and against competition approved in each case for the purpose by the Society.

Group "D"

For ponies and galloways which are not over 14.2 hands and which have won a sum not exceeding £40 in the aggregate in jumping events at shows and against competition approved in each case for the purpose by the Society.

Group "E"

For horses, galloways, and ponies entered in Teams, Jack Pot, or Pair Teams Contests.

31. An animal entered and/or competing in a class or classes in Group "A" shall not by reason only thereof be ineligible from entering and competing in a class or classes in Group "E" but shall be ineligible to enter or compete in any class in Group "B", "C", or "D".
32. An animal entered and/or competing in Group "B" shall not by reason only thereof be ineligible from entering and competing in a class

or classes in Group "E" but shall be ineligible to enter or compete in any class in Group "A", "C", or "D".

33. An animal entered and/or competing in Group "C" shall not by reason only thereof be ineligible from entering and competing in a class or classes in Group "E" but shall be ineligible to enter or compete in any class in Group "A", "B" or "D".
34. An animal entered and/or competing in Group "D" shall not by reason only thereof be ineligible from entering and competing in a class or classes in Group "E" but shall be ineligible from competing in any class in Group "A", "B" or "C".
35. Notwithstanding anything to the contrary, the Society may allocate an animal to any class and may at any time transfer any animal from one class to another class notwithstanding that such classes are not within the same Group and upon any such transfer the animal shall be deemed to be entered in and shall compete in the class to which it has been so allocated or transferred.

36. The Society shall have the sole right to determine the eligibility of any animal for any particular class and without prejudice to the generality of the foregoing to determine the aggregate amount of prize money which an animal shall be deemed to have won for the purposes of these Regulations.

37. Each nominator of an exhibit for entry in a jumping contest shall in his Certificate of Nomination furnish the following information:—

- (a) The name of the exhibit.
- (b) The type and description of the exhibit (e.g., horse, galloway, or pony).
- (c) Its height in hands.
- (d) Particulars of all prize money won in jumping contests by such exhibit including particulars of the Show or Shows at which the prize money was won, the relative class or classes, and the approximate times such Shows were held.

38. Each Group will comprise various classes as indicated in the Show Schedule.

39. Each horse must have been accepted for registration in the Equestrian Federation of Australia (N.S.W. Branch) Register of Hunting and Jumping horses, except those horses registered with other branches of the Equestrian Federation of Australia, which will be eligible provided proof of such registration is produced.

JUDGING ON FAULTS.

The jumping contests at the 1958 Royal Easter Show will be judged under the following Regulations, in conjunction with applicable Special Horse Regulations.

1. Obstacle Knocked Down:

- (a) An obstacle is said to be knocked down when, through the fault of the horse or

Sec. 1—HORSES—Hunting and Jumping Exhibitions (Continued).

rider, any part is knocked down, or one of its ends at least is dislodged.

- (b) Touches, raps, and tips do not penalise. Slats will on no account be used.
- (c) When an obstacle is composed of several elements placed on top of another in the same vertical plane, such as several bars fixed to the same upright (post and rails), a knock-down of the top element only is penalised.
- (d) When an obstacle to be taken in one jump is composed of several elements not in the same plane (Triple Bars, Double Oxer), a knock-down of one or more elements will be penalised only as for one knock-down.

2. Refusal:

- (a) If, in the opinion of the Judge(s), the horse is presented at the fence and refuses to attempt to jump, or runs out at the side, it shall count as a refusal, whether the fence is knocked down or not.

If the fence is knocked down it shall be put up again before the rider makes another attempt. The rider should not continue his or her round until the Judge(s) gives the signal. Should a competitor, who has knocked down a fence when refusing deliberately jump that fence before it is re-set, he or she will be eliminated.

If the horse, in attempting to refuse, slides into the obstacle, pushing it down, and its hind-legs cross the line of the jump, it shall count a jump and four faults be scored. If, however, the horse stops before the hind-legs cross the line of the jump, and is taken back, it shall count as a refusal.

If the horse, after refusing, is pushed through the fence, the faults made will be added to those for the refusal. When the obstacle is composed of more than one element to be taken in a single jump or leap by the horse (i.e., Double Oxer, Parallel Bars, Triple Bars, etc.), the line shall be deemed to be that of the element nearest the take-off-side of the obstacle.

- (b) Showing an obstacle to the horse after a refusal and before resuming the course incurs elimination.
- (c) Should a competitor, on entering the Ring, show his horse an obstacle before commencing the round, he will be eliminated.
- (d) If a horse, when refusing an obstacle, knocks down the obstacle and jumps it before it is re-set, he will be eliminated.
- (e) After a refusal should a horse continue without attempting to re-jump the obstacle at which he refused, he will be eliminated.

3. Running-Out:

It is considered as running-out and the horse must be brought back to jump the obstacle again, falling which he is eliminated, when:—

- (a) the horse, not being properly under the control of his rider, avoids the obstacle he should have jumped;
- (b) he jumps the obstacle outside the boundary flags which mark it.

4. Refusals at a Double or Treble:

Clearing an obstacle which is a Double or a Treble constitutes a particular test, and the fences cannot, therefore, be separated.

Consequently, if a horse refuses, runs out, or falls in between any of these obstacles, the rider is obliged to start over again from the first of these fences.

All faults, including refusals at each fence during the various attempts, will be totalled up.

The complete Double or Treble should be numbered as one obstacle only.

5. Penalties and Marking:

"Table A"

- (a) First turn round, circle, run out, or refusal 3 faults
 - Second turn round, circle, run out, or refusal 6 faults
 - Third turn round, circle, run out, or refusal Eliminated
 - The above are cumulative on the entire round.
 - (b) Obstacle knocked down 4 faults
 - (c) Fall of horse and rider or fall of rider only 8 faults
 - Definition of a Fall:—A horse is considered to have fallen when the shoulder and quarters on the same side touch the ground or touch the obstacle and ground. A rider is considered to have fallen when there is a separation between him and his horse which necessitates his remounting or vaulting into the saddle.
 - (d) Jumping an obstacle out of correct order Eliminated
 - (e) Jumping an obstacle before it is re-set Eliminated
 - (f) Horse leaving the arena, whether mounted or riderless Eliminated
 - (g) Landing on the marked tape of a water jump or with a foot in the water, knocking over a boundary flag 4 faults
- (Note: Should a horse land in water or ditch, in addition to knocking down the fence, he cannot be penalised more than four faults. It is only one obstacle.)

Table "B"

- (a) Obstacle knocked down—10 penalty seconds.

Sec. 1—HORSES—Hunting and Jumping Exhibitions (Continued).

- (b) Exceeding time allowed—penalised by two penalty seconds at the start of each second over time allowed.
- (c) Falls and the two first disobediences are penalised indirectly by loss of time.

6. Time:

- (a) Unless otherwise stated in the conditions of the contest, the "Time Allowed" for the course will be worked out on the basis of 382 yards per minute, according to the length of the course measured on the track that a well-trained horse would take.
- (b) The "Time Limit" is twice the "Time Allowed."
- (c) Faults for Time:—
For every second or part of a second exceeding the "Time Allowed" ½ fault
Exceeding the "Time Limit"—Eliminated.

7. General:

- (a) Weight. In jumping contests at a Royal Easter Show, unless otherwise stated, gentlemen will ride at a minimum of 11-stone, ladies, catch weights.
- (b) Blinkers are prohibited.
- (c) Competitors are forbidden under penalty of disqualification for the entire Show, to enter the ring mounted, except during the contests or for authorised parades, etc.

8. Jumping-Off:

In the event of a tie for first place there will be a jump off over a shortened course with the obstacles increased in height. The horse completing the course with the least number of faults will be declared the winner. If after this jump off there is still a tie for first place, there will be a further jump off in which time will be the deciding factor OR at the discretion of the Committee a jump off may be conducted over a shortened course with the height of obstacles raised. The fastest time with the least number of faults to decide the winner.

The jump-off is to decide first place only. Other competitors with an equal number of faults will share the remaining prizes, if any. Prizes are firstly divided amongst the remaining jumping-off contestants in order of merit and then, if necessary, amongst the other competitors according to faults.

- (d) Faults which incur elimination under Table "A"—Elimination.

Table "C"

For this Table, the faults are counted as seconds in proportion to the length of the course and the number of obstacles. (See Table below). The other penalties are the same as for Table "B".

SPECIAL JUMPING REGULATIONS.

Special Jumping Regulations 15 to 38 shall apply to all jumping contests.

Unless otherwise stated, ladies and gentlemen may ride in all jumping contests.

Riders will be permitted to "Walk the Course" prior to the commencement of each jumping contest.

To enable a rider to make an examination of the course and obstacles, he or she may enter the ring half an hour prior to the commencement of the jumping contest concerned. A rider will not be permitted to enter the ring unless he or she has first obtained a ring pass, for the purpose, at the Horse Superintendent's office. Such pass will indicate the class number for the jumping contest, the date on which the contest will be conducted, and time that each rider will be permitted to enter the ring for the purpose of examining the course and obstacles. Examination of the course and obstacles shall be restricted to riders who will be participating in the contest concerned.

All horses nominated in Hunting and Jumping events must have been accepted for registration in the Register of Hunting and Jumping Horses conducted by the Equestrian Federation of Australia.

For "A" Group horses over 14.2 hands. To be tried over a course as stipulated by the Committee. CLASS 235—The "Australian Women's Weekly" Fault and Out Contest.

(Special Prizes)—£100, presented by Australian Consolidated Press, Ltd., 168 Castlereagh-st., Sydney, publishers of the Daily Telegraph, Sunday Telegraph, The Australian Women's Weekly, Weekend, and Chucklers' Weekly. First, £50; second, £25; third, £15; fourth, £10. For "B" Group horses over 14.2 hands. To be tried over a course as stipulated by the Committee. For the purpose of timing this contest a stop watch will be set in motion when the competitor passes a post, approximately 30 feet from the first obstacle. The aim of the contestant is to negotiate as many jumps as possible in the allotted period of 1 minute 30 seconds, the expiry of which is signalled by the ringing of a bell. A test automatically ends at the first fault incurred, whatever it may be (knock-down, any disobedience, etc.). The contestant successfully negotiating the greatest number of obstacles and covering the greatest distance of the course shall be the winner. In the event of a tie the winner shall be decided by a jump-off over a limited number of obstacles, when

the time factor shall decide the award. After the ringing of the bell to signal the expiry of the competition, the competitor will continue on and jump the next obstacle. Should this not be done, the competitor shall be eliminated. Ladies and gentlemen are eligible to ride in this contest at catch weights.

CLASS 240—Pony and Galloway Fault and Out Contest.

(Special Prizes)—£50. First, £32; second, £12; third, £6. For ponies and galloways not exceeding 14.2 hands, to be tried over a course as stipulated by the Committee. For the purpose of timing this contest a stop watch will be set in motion when the competitor passes a post, approximately 30 feet from the first obstacle. The aim of the contestant is to negotiate as many jumps as possible in the allotted period of 1 minute 30 seconds, the expiry of which is signalled by the ringing of a bell. A test automatically ends at the first fault incurred, whatever it may be (knock-down, any disobedience, etc.). The con-

testant successfully negotiating the greatest number of obstacles and covering the greatest distance of the course shall be the winner. In the event of a tie the winner shall be decided by a jump-off over a limited number of obstacles, when the time factor shall decide the award. After the ringing of the bell to signal the expiry of the competition, the competitor will continue on and jump the next obstacle. Should this not be done, the competitor shall be eliminated.

Ladies, gentlemen, or children shall be eligible to ride in this contest at catch weights.

To be tried over a course to be decided by the Committee. Each team will be required to jump during two distinct night sessions of the Show. The first round will run at a speed of 382 yards per minute, the second round at a speed of 437 yards per minute. The prize money will be divided among the owners of the horses or galloways in the winning teams.

Nominations for an attempt on the world's record must be made in writing and lodged with the Horse Superintendent at least 24 hours before the scheduled starting time of the water jumps to be held on Easter Monday. (Special Prize)—£50, presented by John Fairfax and Sons Pty., Ltd., proprietors of the "Sydney Morning Herald", will be paid to the owner of the horse, galloway, or pony which beats the world's record water jump. In order to beat the world's record the horse, galloway, or pony must clear a spread of

at least 4 inches beyond the existing measurement. Should two or more contestants break the world's record during the 1958 Royal Easter Show the prize money will be equally divided.

**Loading is Easy—
Stacking is Fast!**

**and it's all done with ONE
Mobilco machine**

If you had all the time in the world to get your hay in . . . if you had labour to spare you wouldn't need to worry about machines for your farm. But as this is not generally the case, just think over the savings this Mobilco Loader/Stacker will make. It's a machine that loads AND stacks bales, bags and other bulky materials. It's a machine that hitches to your truck "to go with it" at business-like speed to pick up and stack those bales at the right time, and you know that for best quality hay there certainly is a right time.

Mobilco loads and Mobilco stacks. With elevator lowered it picks up from the ground . . . with elevator raised it loads to the stacks. For stacking, elevator pivots through 90° so that you can put the bale off just where you want. 1 h.p. Jap engine supplies the power. Mobilco supplies the guarantee and offers convenient terms. **POST THE COUPON FOR THE FULL STORY.**
