28. No exhibitor or person representing a District shall address any Judge while the latter is judging. All explanations must be supplied to the Stewards in every case. 32. A District Court Organiser (Representative) may seek a ruling or interpretation of the conditions through the Steward from the Steward-in-Chief and shall have the right to appeal thereon to the Society's Agriculture Section Committee.
33. The awards will be released after the time for lodging of the protests has expired. Any protests must be lodged within four hours of that time.)
34. The Judge shall be requested to return to the Courts the day after judging for the purpose of discussing with the District Court Officials the merits and/or demerits of the Court.
