FODDER.

It is the responsibility of the exhibitor to arrange for his fodder requirements. The sale of all fodder is in the hands of the Official Produce Merchant, whose store on the Showground will be open during the Show.

Fodder shall not be admitted to or removed from the Showground without authority. For purposes of admission, a written order must be presented to the gatekeeper by the exhibitor or his representative, or by an outside merchant when making deliveries on behalf of an exhibitor. In the case of removal an official pass-out check is required. Admission orders and pass-out checks are obtainable from the Director.

For the convenience of exhibitors or other persons specially authorised to enter or leave the Showground with fodder, gates have been allocated as follows:—

- (i) Entry—Furber Road.
- (ii) Exit—(a) From the Horse Section—Lang Road.
- (b) From the Cattle and Pig Section—Paddington.

Conveyances may enter the Showground between 6 a.m. and 8.30 a.m. and must leave by 9.30 a.m. on ordinary days, or by 9 a.m. on Good Friday, Easter Saturday, and Easter Monday.

PENALTY—NON-EXHIBITION OF CATTLE.

In order to prevent the non-exhibition of animals which have been entered for the Show, thus causing unnecessary preparation, expense, and disarrangement of the Show Yard, any person making any entry will be subject to a fine of £1 for each entry of cattle not exhibited, unless a certificate under the hand of exhibitor or his authorised agent be lodged with the Director of the Society before the day of Exhibition, to the effect that such non-exhibition is caused either by (1) the death of the animal or animals; or (2) contagious or infectious disease (confirmed by the explanatory certificate of a veterinary surgeon); or (3) by its becoming ineligible for the class in which it has been entered, or other reasonable cause. The non-payment of such fines to debar all persons owing them from exhibiting at future exhibitions of the Society.

WITHDRAWALS.

Notification of withdrawals must be forwarded to reach the Director not later than 30 days prior to the first day of the Show. Failure to do so will render the exhibitor liable to penalties in accordance with the provisions of General Regulation 87 which will be rigidly enforced.

NO AWARD IF NO EXHIBIT WORTHY.

No exhibit shall receive an award if in the opinion of the judge for any reason it is unworthy of such award. If in the opinion of the judge no exhibit in a Class is of sufficient merit to deserve an award no award in that Class shall be made.

SPECIAL CATTLE REGULATIONS.

Exhibitors are reminded that the Society's General Regulations apply to all sections of the Show and that the Special Regulations hereunder set out which apply to this section only are merely supplementary to the General Regulations.

1. The age of Beef Cattle, Dual-Purpose Cattle and Fat Cattle to be the actual age up to and inclusive of 1st March, 1959, and Dairy Cattle up to and inclusive of 1st January, 1959. An animal born on or after the 1st March, in the case of Beef Breeds and Dual-Purpose Breeds and 1st January, in the case of Dairy Breeds, of the preceding year, shall be eligible for the not over 12 months old class. A similar provision shall apply to the other age classes when calculating the age from date of birth up to and inclusive of the 1st March and 1st January. See head of Beef, Dual-Purpose and Dairy Cattle Sections for further class age definitions. Full particulars must be stated on the certificate of entry of age, breeding number, colour, pedigree, and herd book number, if fixed. In the case where no herd book number is fixed, proof of acceptance for herd book must be produced except where otherwise specified.
2. All adult animals must have been finally accepted for registration in a recognised herd book (Shorthorns, Poll Shorthorns, Herefords, and Poll Herefords are considered as distinct breeds); and proof of registration must accompany all entries for the Show. All animals not of age for registration must be the progeny of registered sires and dams and definitely recorded in the calf register of the breed society represented; proof of foregoing must be supplied in every case.
3. The pedigree of all stock, excepting Fat Cattle, must be stated on the certificate of entry. This does not apply in the case of herd book foundation stock.
4. Exhibitors of Fat Cattle must state on the certificate of entry the name of the breeder, where fattened, and the food upon which the cattle have been kept during the 12 months previous to the exhibition and as far as practicable whether the animal or animals is or are horned, dehorned or poll.
5. In Fat Cattle classes, unless otherwise stated, no animal will be eligible to enter in or compete if it is over 18 months old.

7. All cows in the Stud Beef Classes three years old and over, in accordance with the Show Regulations, must be in calf or show signs of having been a breeder. As proof of the latter provision the calf must have been registered with a recognised Herd Book Society during the past 12 months.
8. The exhibitors of dry cows in breeding classes must supply before judging, a certificate that the cow has calved at least nine months prior to the date of exhibition or has been at least six months in calf.
9. Any cow, entered as dry, if in milk at the time of the competition, may compete as a wet cow and vice versa. Such transferred entry shall be additional to any entries made by the exhibitor in the relative class. Cows entered in dry classes, which are in milk on the day of judging, must be milked out immediately prior to their entering the judging ring.
10. All cows (Red Polls and Dairy Shorthorns excepted) entered in the Cow in Milk classes will be milked dry at 4 p.m., Sunday, 22nd March, when an inspection will be made. Should the judge require any cow to be milked out before making his award, same shall be done. Red Polls and Dairy Shorthorns will be milked dry at 4 p.m., Friday, 20th March.
11. A heifer is defined as being under 8 years old and as not having had a calf.

Nor shall a heifer or cow if dry at the commencement of the judging of her breed be regarded as a wet cow by reason only of her having calved subsequent to such commencement.

In a class for single animals no ribbon or other evidence of a previous award shall be worn or displayed in the ring. In a class for a group of two or more animals in classes for beef-bred or for dual-purpose-bred animals, each animal of the group shall wear any ribbon or ribbons previously awarded to it in a single class during the judging of the same breed classes in the same section.

# BECTIVE HEREFORD STUD

A TYPICAL BECTIVE BRED BULL

The Bective Hereford Stud was founded in 1929 with the purchase of females from Hobartville, Golf Hill, Ennisview and Mount Leonard and Glengarry dispersal sales.

Since then the best sires sold in Sydney have been procured and used in the Stud (the latest addition being South Boorook Bldgend purchased at the 1957 Show sales for 3,500 gns.) with the result that the Stud is finding ready sale for both males and females that are offered, and has also figured prominently in the Show ring in Sydney and Brisbane and locally.

The aim of the breeders is to produce soft, early-maturing, well-marked types of cattle with good heads, broad in the buttocks and standing square on their feet.

Bective bulls meet with ready sale when offered and universally purchasers' comments are very encouraging and pleasing to the breeders.

## THE 154-MILLION-DOLLAR TRACTOR RACE

**T**HE two giant tractors stood hitched back to back in the centre of an arena in a huge marquee erected on a stretch of arid desert just outside the town of Arizona, New Mexico. In tiers of seats surrounding these two tractors were over a thousand men, all vitally interested in this race for the richest prize in the world. Men whom J. I. Case had spent over one million dollars to fly to this stretch of arid desert, men who controlled billions of dollars, presidents of great banks, and simple farmers. Then, to the blare of a fifteen-piece band, the tractors started to rev. Their engines. With every eye in the marquee intent upon the struggle, the tractors strained against each other. The huge rope linking them grew taut. Sand swirled. But neither tractor gained the advantage. Then slowly the J. I. Case tractor slipped back . . . one foot . . . two feet. The Case driver increased

his revs. The Case engine roared even more powerfully and slowly regained the ground it had lost. Then, with a final surge of power, it towed the opposing tractor from the arena, black smoke pouring ominously from the loser's exhaust.

This is how the dynamic new President of the J. I. Case Tractor Company, Marc B. Rojzman (pronounced Royzman), introduced the new Case Torque Converter, a radical advance in tractor transmission that has netted Case the richest prize in the world, 154 million dollars in orders for Case tractors in the few days after this great tractor race.

It is factors like the Case Torque Converter, the Caseomatic drive, Case 6-point fuel protection, all arising from intensive Case research, that have made Case the fastest growing tractor company in the world.

### SPECIAL REGULATIONS.

- DEFINITIONS**—The following definitions apply to the Fat Cattle and Carcass Classes.
  - Stud**—This term in relation to an animal means that both its sire and its dam are registered in the Herd Book of a recognised Stud Beef Cattle Breed Society.
  - Pure-Bred**—This term shall apply to an animal only if the sire and the maternal sire in each of the three next preceding generations of the dams were all stud animals of the same breed.
- PROVIDED THAT**—
  - In the case of a Poll Hereford a forebear shall be deemed to be a stud animal of the same breed if recognised by the Australian Hereford Society as being or having been a Hereford;
  - In the case of a Poll Shorthorn a forebear shall be deemed to be a stud animal of the same breed if recognised by the Shorthorn Society of Australia as being or having been a Shorthorn.
  - Natural Pastures**—Mean grass lands, whether improved, fertilized, or otherwise, and include lucerne, rye, phalaris, and other like grazing pastures, and growing crops.
  - Stall Fed** in relation to an animal denotes that it has not been exclusively pasture fed.
  - Carcass Classes** are those classes in which the carcass only is entered for exhibition or competition.
  - Shorthorns** will include pure-bred animals of the Beef-Shorthorn breed whether they be horn Shorthorns or dehorned Shorthorns.
  - Herefords** will include pure-bred animals of the Hereford breed whether they be horn Herefords or dehorned Herefords.
  - Carcass Judge**—The person appointed to judge the Carcass Classes.
- Exhibitors in the Fat Cattle Section will be allowed not more than **THREE ENTRIES** in each class.
- Every exhibit must be the property of the exhibitor on judging day, and must have been owned by him at all times during the period of three months immediately preceding day of judging.
- Exhibits in classes for live animals must be quiet and tractable and be trained to tie up and to lead.
- The certificate of entry must—
  - be supported by statutory declaration lodged with the Director before the closing date for entries and such declaration—
    - must be made by the exhibitor;
    - must verify the particulars in the certificate of entry;
    - must contain a statement that the age of each animal entered for exhibition, or whose carcass is entered for exhibition, does not exceed the age specified in relation to such animal in the certificate of entry;
    - must contain a statement as to where each animal has been fattened and the particulars of the food upon which the animal has been fed during the twelve months prior to the day of entry and upon what ration it will thereafter be fed until judging day, if hormones have been used this must also be stated, and such particulars furnished as the Society may require.
  - expressly state in respect of each animal being an exhibit or comprised in an exhibit, whether such animal is horned, dehorned or poll.
- In all classes the Judge may be given by the Chief Steward the weight of exhibits. It will be left to the discretion of the Judge to disqualify or to penalise any exhibit if an animal shall be considered to be over or under weight or size, but no animal shall be precluded from parading before the Judge by reason only of weight or size.
- The Society shall have the right to weigh any or all exhibits at any time, and each exhibitor shall afford the Director all facilities and assistance if and when required so to do.
- The weight of an exhibit certified by the Director to be correct shall for all purposes be accepted as correct.
- Any animal shall not be eligible for entry in any single class for fat stock if it is over the age of 18 months.
- Particulars of ages of exhibits in each class (other than in carcass classes) may be furnished to the Judge, and shall be so furnished if the Judge shall require it.
- If at any time any question shall arise as to the age of any exhibit the Director may require the exhibitor to furnish evidence as to the age to the satisfaction of the Steward-in-Chief and failing such production the exhibit may be disqualified by the Steward-in-Chief.
- The Judge, in making his decision in classes for live stock, will take into account early maturity, quality, conformation, development, evenness and depth of flesh, and absence of wasteful fat, and in the case of pure-bred exhibits, breeding and trueness to type, and in the case of pen class exhibits, uniformity of size, quality, and type of the animals comprised in the exhibit.

Sec. 2—CATTLE—Fat Cattle (Continued).

14. If an exhibit shall in the opinion of the Steward-in-Chief be of insufficient merit for exhibition, whether from point of view of Show preparation or of standard of excellence, the Society by its Director may require the exhibitor to remove the exhibit from the Showground, and the exhibitor upon being so required shall forthwith remove the exhibit, and if he shall fail to do so the Society at the expense and on behalf of the exhibitor may take all appropriate steps to have the exhibit removed and slaughtered and/or sold, and all costs and expenses incidental thereto shall upon demand be forthwith paid by the exhibitor to the Society.
15. Except with the consent of or as directed by the Director all exhibits in classes for live stock must remain on exhibition until the termination of the Show.
16. Except as otherwise specified in the Show Schedule, both the sire and the dam of an exhibit shall be either stud or pure-bred animals of the same breed.
17. The prizes awarded in carcass classes shall be awarded to the exhibitor and shall be the property of the exhibitor and not of the purchaser.
18. In the event of any question or dispute arising as to any matter or thing affecting the entry of or retention of any animal on the Showground, or affecting the exhibition or qualifications of any animal or as to the right or obligation of any exhibitor or of the Society or as to the interpretation or application of any regulation of the Society, every such question and dispute may be referred by the Society or by the exhibitor or other party affected to the Steward-in-Chief, who shall determine such question or dispute acting upon such information and evidence as he may think fit regardless of the ordinary rules of evidence, and his decision shall be final and be accepted as binding upon all parties to such question or dispute and upon all persons affected thereby.
19. Should it be found that a steer, at the time of examination prior to judging, shows more than the prescribed number of teeth, it shall not be sold while on the Showground.

CARCASS CLASSES.

20. No carcass of any animal shall be eligible for entry in the carcass classes unless the animal is entered for exhibition and is exhibited in one or other of the classes for live fat stock.
21. The following rules will apply to the judging of carcass classes:—
  - (a) The animals of which the carcasses are entered for competition will be slaughtered at the abattoir at Homebush Bay.
  - (b) Carcasses will be dressed and weighed and will then be exhibited to the Judge in the presence of the Stewards of the Fat Cattle Section, and if so desired by the Judge or by any Steward, carcasses will be quartered and will be further cut up as may be required. If the carcass is weighed hot, the official weight shall be deemed to be scale weight, less three per cent.
  - (c) The Judge shall not be present during the killing or during the dressing of the carcasses.
  - (d) Care shall be taken by the Stewards that each carcass shall be capable of identification by the Steward-in-Chief and by the Chief Steward, but shall not be identifiable by the Judge and shall not bear a catalogue number.
  - (e) No information shall be given to the Judge, and the Judge shall not seek or obtain information which may tend to distinguish any one or more carcasses from another or others.
  - (f) In the judging of a carcass the Judge shall have regard to quality, depth and evenness of fleshing, and to conformation, lightness of bone, marbling and absence of waste.

Judging to start on:—

Thursday, 19th March, 2.30 p.m.—Pure Bred Stall Fed Steers on the hoof.

Tuesday, 24th March, Steer Carcasses.

All animals exhibited in Classes 165 to 173 must, in the opinion of the Judge, be typical of the breed.

All Fat Cattle to be weighed at 11.30 a.m., Thursday, 19th March, the weight of each animal to be posted on the pen.

SHORTHORN, POLL SHORTHORN, HEREFORD,  
POLL HEREFORD, DEVON, ABERDEEN-ANGUS,  
GALLOWAY, SANTA GERTRUDIS, AND RED POLL  
PURE-BRED STEERS.

Carcasses of steers entered in Classes 174 to 182 may be inspected at the State Abattoir, Homebush Bay, on the morning of Tuesday, 24th March, from 9 a.m. to 12 noon. Should it be found necessary to alter this arrangement notice of same will be posted on the Society's notice board.

JUDGING ARRANGEMENTS.

The steers must be quiet and tractable in order to be led into the Judging and Sale Rings. They may be either stall fed, grazed on natural pastures or both.

The steers are to be weighed alive at 11.30 a.m., Thursday, 19th March, and the weights will be handed to the various judges who will commence judging at 2.30 p.m., Thursday, 19th March. Steer carcasses will be judged on Tuesday, 24th March.

The steers will be sold by auction on behalf of the exhibitors at 10.30 a.m. on Saturday, 21st March, after which those entered in Carcass classes will be sent to the N.S.W. State Abattoir, Homebush Bay, where they will be slaughtered on Monday, 23rd March. The judge will not be on the killing floor while the steers are being slaughtered and carcasses dressed. The day following slaughter the carcasses will be weighed and judged. The judge has power to have the carcass cut as he wishes in order to arrive at a correct judgment. The prizes are the property of the exhibitors who enter the steers and carcasses and not the purchasers.

The Committee reserves the right of freezing and placing the 1st, 2nd, and 3rd prize carcasses, and cuts therefrom, in a refrigerated cabinet at the Royal Agricultural Society's Show of this year, and delivering same after the Show has terminated. The delivery of carcasses not so selected will not be given to the purchaser or purchasers until the Judge has completed his awards.

Ideal average weights.

For the purpose of these competitions, and as an indication to exhibitors, the ideal weights are generally considered to be

(a) Live weight, between 750lb. and 1,250lb.

(b) Carcass weight, between 450lb. and 760lb.

Cattle outside this weight range will not for that reason alone be penalised by the judge.

DATES OF BIRTH FOR CLASSES RESTRICTED BY AGE.

Stated hereunder is an explanation regarding classes which restrict the eligibility of an exhibit by the fact of its age. The dates shown within the parentheses are those on, or between which, the exhibit must be born in order to be eligible to compete in the class referred to immediately preceding the parentheses.

These competitions are for the purpose of educating and encouraging cattle exhibitors and attendants to parade exhibits before a judge in the most efficient manner. Suitable attire of competitors and condition of animals, although highly desirable, shall not be the deciding factor except in the case of equality of competitors.

There shall be two competitions and a Championship, viz.:
