'til the cows
come home

For 106 years the man on the land has had, in the E. S. & A. Bank, a companion and adviser. His successes have been the bank's successes. His lean times have found the bank sympathetic, understanding, helpful.

The wool men, the men who raise beef cattle or dairy herds, the men with rolling acres under crop—four and five generations of these men and their families have come to count their local E. S. & A. Bank manager as their friend. His specialised knowledge of local affairs, plus a solid background of banking and business training, make him someone to be utterly relied on—today, tomorrow, 'til the cows come home.

Full banking facilities at the Royal Easter Show

E. S. & A. customers are invited to make full use of our Office in the Manufacturers' Hall as a meeting place during the Royal Easter Show. Arrange with your local Manager for your cheques to be cashed at the E. S. & A. Showground Office.

Full Banking facilities available including

Hire Purchase Finance through ESANDA LIMITED (Inc. in Vic.) to help you buy cars, business equipment, farm and earth moving equipment, household goods, etc. Why not call and discuss the details with the friendly staff at the E. S. & A. Showground Office or with the Manager of your nearest E. S. & A. Branch.

MEASURING HORSES AND PONIES.

Horses, galloways, and ponies entered in classes for which the height is limited must be measured by the Official Measurer before competing. No exhibit shall be judged unless so measured.

THE OFFICIAL MEASURER WILL ATTEND THE SHOWGROUND ON WEDNESDAY, THURSDAY, FRIDAY, AND SATURDAY, 18th, 19th, 20th, and 21st MARCH. AN EXHIBIT WILL NOT BE MEASURED ON THE DAY IT IS TO BE JUDGED.

When measuring a horse, galloway, or pony, an allowance of half (½) of an inch is to be made for shoes. Where an exhibitor disagrees with the Official Measurer's figure for an animal which has been measured with shoes on he may, should he so desire, have it re-measured without shoes. The Official Measurer may, in his discretion, request the removal of shoes from any animal prior to measurement.

Should a horse, galloway, or pony be found by the Official Measurer to be over or under height for the class in which it has been entered it may be transferred to a corresponding horse, galloway, or pony class.

Horses, galloways, and ponies will not be measured unless the breast plate showing their number in the class for which they are being measured is produced to the Official Measurer for the purpose of enabling him to impress same with a rubber stamp showing the official measurement and his initials.

Life measurement certificates will only be issued for horses, galloways, or ponies, seven years old or over. A Life Certificate shall not be issued unless, at the time of measurement, the exhibit is unshod.
