In order to prevent the non-exhibition of animals which have been entered for the Show, thus causing unnecessary preparation, expense, and disarrangement of the Show yard, any person making any entry will be subject to a fine of £2 for each horse not exhibited, unless a certificate under the hand of the exhibitor or his authorised agent be lodged with the Director of the Society before the day of exhibition, to the effect that such non-exhibition is caused either by (1) the death of the animal or animals, or (2) contagious or infectious disease (confirmed by the explanatory certificate of a veterinary surgeon); or (3) by its becoming ineligible for the class in which it has been entered or other reasonable cause. The non-payment of such fines to debar all persons owing them from exhibiting at future exhibitions of the Society.

Weather permitting, veterinary examinations will be conducted in the centre of the main ring. Otherwise they will be carried out under the Martin and Angus Grandstand or in the Trotting Marshalling Yard.

Time-Table of Judging.

A time-table of judging of all classes and events will be posted to each exhibitor after entries close.

When framing the Time-Table of Judging every endeavour will be made to avoid the judging of two classes concurrently in which one exhibitor may be interested. The Society, however, cannot accept any responsibility if the judging time happens to conflict with one or more classes or events.

SCRATCHINGS.

Exhibitors and/or nominators will be subject to a fine of £2 for each horse not exhibited in each and every event for which it has been nominated unless notification of the scratching is made in writing to the Horse Superintendent as follows:

For any event other than trotting events: Not later than 7 p.m. on the day before that on which an event is scheduled to take place.

For trotting events: At least 24 hours before the event is timed to commence, notification to be made to the Society's official in the Trotting Marshalling Yard.

The non-payment of such fines to debar all persons owing them from exhibiting at future Exhibitions of the Society.

ANY EXHIBITOR NOT BEING PRESENT WITH HIS OR HER HORSE AT THE TIME OF ROLL CALL, WHICH WILL BE TAKEN FIVE MINUTES BEFORE THE COMMENCEMENT OF THE EVENT, WILL NOT BE PERMITTED TO COMPETE IN SUCH EVENT. AFTER THE ROLL CALL THE STEWARD IN CHARGE OF THE MARSHALLING YARD WILL ADVISE THE RINGMASTER THE NUMBER OF COMPETITORS PRESENT AND READY TO COMPETE IN THE EVENT ABOUT TO TAKE PLACE.

Unless otherwise stated in the Ring Time Table, all horses (ponies excepted) must be on the Showground before 9 a.m., Saturday, 21st March. Saddle and Harness Ponies which will be judged on Friday, 20th March, must be on the Showground not later than 9 a.m. on that day. Passes for attendants can be obtained at the Director's office on the Showground on presenting exhibitor's entry ticket. No horse may be removed from the ground after arrival, unless a pass (obtainable from the Horse Superintendent) is presented to the gatekeeper; in the event of horses removed each night a deposit of £2 must be lodged.

Sec. 1—HORSES (Continued).

ALLOCATION OF STALLS AND BOXES.
(Limited Number Available).

The Society, to the extent to which stalls and/or boxes are for the time being available, and SUBJECT TO THE PAYMENT BY THE EXHIBITOR OF £2 IN RESPECT OF EACH EXHIBIT (WHICH PAYMENT SHALL ACCOMPANY HIS APPLICATION FOR ENTRY OF SUCH EXHIBIT) will allocate one or more stalls and/or boxes to each exhibitor according to the number and composition of the exhibitor's exhibits and each allocation shall be made as soon as practicable after the closing date of entries. Each exhibitor will be given particulars of each allocation to him.

The Society will in due course refund to the exhibitor the £2 so paid in respect of an exhibit if—

(a) no stall or box shall be allocated for use of such entry either alone or in company with some other entry or entries;

(b) the stall or box has been used throughout the period of the Show by the exhibit or exhibits for which it was allocated and the stall or box has been used in accordance with the Show Regulations and not otherwise;

(c) if, during the currency of the Show, the Society cancels the allotment but such cancellation has not been induced by any contravention of or non-compliance with the Show Regulations on the part of the exhibitor, or by reason of the non-use of the box or stall for the purpose for which it was allocated, or

(d) if the allocation of the stall or box has been cancelled by the Society prior to the commencing day of the Show pursuant to a written request of the exhibitor for such cancellation.

One box will be set aside by the Society in respect of every 15 horses to be used for the storage of feed; the owners of the horses may use the box in common only with each other and for the purposes only for which it is allocated.

Any horse found in a stall or box not allocated to such horse shall, if so required by the Director, be immediately removed from the Showground and shall not again enter the Showground except with the written consent of the Director.

Except by order of the Director no number or other mark of identification placed by the Society on or in a stall or box whether by placard, painting, posting or otherwise, shall be removed, disfigured or altered, nor shall any other notices, number or mark be posted or placed in or upon such stall or box. The observance of this Regulation shall be the responsibility of the exhibitor to whom the stall or box is allocated.

No stall or box shall be used other than for the animal and for the purpose for which it has been allotted to the exhibitor, and the exhibitor shall be responsible for ensuring that no breach of this provision occurs.

The Society may at any time, whether before or during the currency of the Show, revoke the allotment of any box or stall and may or may not at its discretion allot some other box or stall to the exhibitor.

Upon the revocation of any allotment of a box or stall the exhibitor whose allotment has been revoked shall immediately vacate the same and give vacant possession to the Society.

Bedding and feed will be placed in boxes at the expense of exhibitor before the arrival of horses, provided the Director is notified of the time of arrival. Exhibitors must not use sawdust and/or wood shavings in bedding down their horses.

Should an exhibitor desire to have his exhibits stalled adjacent to those of another exhibitor, he must append a note to this effect on the Certificate of Nomination.

Night Stalls for Trotters.

When required, stalls for Trotters competing in the Evening Ring Programme shall be available on application to the Horse Superintendent. This reservation will be restricted to the evening of competition, country Trotters excepted.

Exhibit Numbers.

Exhibit numbers for exhibits will be supplied at the Horse Superintendent's Office, situated in the Horse Section, on the following basis:—

(a) **BREAST PLATE NUMBERS:** For horses and ponies exhibited in Stud, Saddle, Miscellaneous, Harness and Business Turnout Classes.

Each horse or pony will carry the same breast plate number in all events it contests in the aforesaid classes.

(b) **JACKET NUMBERS:** For horses and ponies competing in Hunting and Jumping Exhibitions. The same jacket number will be affixed to the rider of the horse or pony in all events in which it competes in these exhibitions.

SEE REGULATION WITH RESPECT TO REFUND OF STALL FEES.

(c) **ARM BAND NUMBERS:** For riders entered in Riding Exhibitions. Each rider will carry the same Arm Band number in each event he or she contests in these competitions.

SEE REGULATION WITH RESPECT TO DEPOSIT ON ARM BAND NUMBERS.

On all occasions the Exhibit Numbers (Breast Plate Number, Jacket Number or Arm Band Number) must be affixed to each horse or rider before arrival at the Marshalling Yard preparatory to entering the ring. Arm Bands and jacket numbers must be returned to the Official appointed for the purpose, at the Horse Superintendent's Office, when the last event in which each horse or rider is to compete at the Show has been judged. It shall be the responsibility of each exhibitor or competitor to ensure that the correct exhibit number is carried by the horse or rider. Pass-out checks and return railway certificates may also be obtained at the Horse Superintendent's Office.

Wearing of Jacket Numbers.

Every exhibit whilst in the ring and being exhibited for the purpose of competition or parading in any hunting or jumping class shall wear a Jacket Number which subject to these regulations will be provided by the Society and which shall bear the certified number allocated to the exhibit in the class in which the exhibit is for the time being competing or parading.

The Jacket Number to be worn by each exhibit in such a manner as to show the number as conspicuously as possible.

Each application for entry in a hunting or jumping class shall be deemed an application for a numbered Jacket Number. The Jacket Number shall remain the property of the Society subject only to the exhibitor's right to use same in the Show Ring during the particular Show in respect of which it is issued and it shall be returned to the Society's Horse Superintendent in good order and undamaged condition prior to the exhibit leaving the Showground or at the close of the Show whichever be the earlier.

The fee of £2 paid in respect of Stall accommodation shall not be refunded unless the Jacket Number issued to the exhibit in respect of the relative exhibit has been returned to the Horse Superintendent in good order and undamaged condition within the prescribed time as hereinbefore provided.

Wearing of Arm Band Numbers.

Every rider whilst in the Ring for the purpose of competition or parading in any Riding Exhibition shall wear an arm band number which subject to these regulations will be provided by the Society and which shall bear the certified number allocated to the rider in the class in which the exhibit is for the time being competing or parading.

Each application for entry in a riding competition shall be deemed an application for an Arm Band Number. The Arm Band Number shall remain the property of the Society subject only to the exhibitor's right to use same in the Show Ring during the particular Show in respect of which it is issued and it shall be returned to the Society's Horse Superintendent in good order and undamaged condition prior to the competitor leaving the Showground or at the close of the Show whichever be the earlier.

A fee of £1 shall be charged in respect of each pair of Arm Bands issued and must be paid to the official appointed for that purpose at the Horse Superintendent's office, when the Arm Bands are issued. This fee shall not be refunded unless the Arm Band Numbers issued to the competitor have been returned to the Horse Superintendent in good order and undamaged condition within the prescribed time as hereinbefore provided.

Sec. 1—HORSES (Continued).

Marshalling Yard.

No exhibitor or attendant will be permitted to enter the Marshalling Yard unless his or her horse has affixed to it an Exhibit Number and is required to enter the ring to compete in a Class or Event.

A competitor in riding events will be permitted to enter the Marshalling Yard provided that he or she is mounted, has an Arm Band Number affixed and is required in the ring to compete in an Event. Entry to the Marshalling Yard does not entitle an exhibitor, a rider or an attendant to enter the Jockey Stand.

Parades.

Each exhibit must be paraded as from time to time directed by the Society. Each exhibit, whilst participating in a parade, must for identification purposes carry a breast plate provided for the purpose by the Society in such manner as the Society may direct and in particular so that it may be readily seen by spectators and so that the animal may be readily identified by the number assigned to it.

Every rider and every attendant of an exhibit must be attired in accordance with directions given from time to time by the Society.

All horses must parade as they are shown in their competitive classes daily. Any exhibitor who fails to parade his horses shall forfeit all prize money (if any) won by him and be liable to a fine of £5 for each animal not paraded. A special parade of prize winners will be held on a day to be fixed if time permits. Should a horse be sold prior to the close of the Show, the entrant shall be responsible for the observance of the Parade regulations. The Committee may grant exemption to any exhibit from participating in the Grand Parade.

This rule will be strictly enforced.

Age and Weight Restrictions in Hunting and Jumping Contests.

Unless otherwise stated a lady competing in a Hunting or Jumping Contest must be 16 years of age or older. Unless otherwise stated ladies competing in Hunting Contests shall not be restricted to a weight limitation.

Judge's Authority—Ladies' Hunting Events.

A Judge in any Ladies' Hunting Event may warn off a horse which in his opinion is unfit to be ridden by a lady in such event.

Substitute Judge.

The Council reserves the right to substitute a judge when deemed necessary.

Pavilions Open to Public.

The Horse Pavilions (see exceptions) shall be open to the public daily from 9 a.m. to 9 p.m., Monday, 23rd March, and Good Friday, 27th March, excepted, on which days they shall be closed at 6 p.m.

All Horse Pavilions will be closed to the public one-half hour before and after each Grand Parade.

Departures.

All horses except those competing in contests to take place after 5 p.m., Tuesday, 31st March, may depart from the Show on that day at 5 p.m.

Horses must not be removed from the ground unless a pass (obtainable from the Superintendent) is presented to the gatekeeper.

Exhibitors wishing to keep their horses on the Showground after the conclusion of the Show must obtain permission from the Director who may grant the privilege for a period not exceeding 14 days.

Railway Certificates.

Certificates granting reduced rail carriage of horses, returning to the station they were trucked from, must be obtained at the Superintendent's office. These certificates must be obtained before the horses leave the ground, and must be presented at the time of consigning, otherwise full trainage will be charged. A concession rail certificate will not be issued unless the exhibit is returned to the station whence it was trucked within four weeks of the date of the forward journey.

Exhibitors—Third Party Risk.

It is the practice of the Society to take out a policy of insurance purporting to cover the legal liability on the part of an exhibitor of live stock towards any third party in respect of damage to the person or property of such third party caused by any fractious act on the part of any exhibit of the exhibitor whilst on the Showground provided always that, for the purposes of this regulation, the term "live stock" shall be confined to horses, cattle, goats, pigs, poultry, dogs, and cats.

The Society, however, shall not be liable to any exhibitor if it shall fail to take out a policy of insurance effectively protecting any exhibitor or exhibitors against any such claim.

ALLOCATION OF STALLS AND BOXES.

(Limited Number Available).

The attention of intending exhibitors is drawn to the Regulation relative to the allocation of stalls and boxes. Some will be rigidly enforced.

ADMISSION TO JOCKEYS' STAND.

The Society will issue a limited number of tickets the holders of which will be admitted to the Jockey Stand enclosure. Any person not in possession of a ticket shall not be entitled to enter or remain in the enclosure.

FODDER.

It is the responsibility of the exhibitor to arrange for his fodder requirements. The sale of all fodder is in the hands of the Official Produce Merchant, whose store on the Showground will be open during the Show.

Fodder shall not be admitted to or removed from the Showground without authority. For purposes of admission, a written order must be presented to the gatekeeper by the exhibitor or his representative, or by an outside merchant when making deliveries on behalf of an exhibitor. In the case of removal an official pass-out check is required. Admission orders and pass-out checks are obtainable from the Director.

For the convenience of exhibitors or other persons specially authorized to enter or leave the Showground with fodder, gates have been allocated as follows:—

(i) Entry—Furber Road.

(ii) Exit—(a) From the Horse Section—Lang Road.

(b) From Cattle and Pig Sections—Paddington.

Conveyances may enter the Showground between 6 a.m. and 8.30 a.m. and must leave by 9.30 a.m. on ordinary days, or by 9 a.m. on Good Friday, Easter Saturday, and Easter Monday.

No exhibit shall be judged unless so measured. Ladies and Gentlemen may ride in the Saddle Pony classes.

MEASURING OF EXHIBITS.

All ponies must be officially measured. The Official Measurer shall set out the height, duly initialled, on the imprint of a rubber stamp applied to the breast plate of the animal in question.

No exhibit shall be judged unless the breast plate has been so marked.

The Official Measurer will attend the Showground on Wednesday, Thursday, Friday, and Saturday, 18th, 19th, 20th and 21st March, between 10 a.m. and 4 p.m. A pony will not be measured on the day it is to be judged. Should a pony be found by the Official Measurer to be over or under height for the class in which it has been entered it may be transferred to a corresponding pony or horse saddle class.

RIDERS TO BE SUITABLY ATTIRED.

A contestant who, in the opinion of the Stewards, is not attired in accordance with the standards laid down by the Society shall not be permitted to compete.

(SEE PAGE 1-2 FOR SUGGESTED ATTIRE.)

ALLOCATION OF STALLS AND BOXES.

(Limited Number Available).

The attention of intending exhibitors is drawn to the Regulation relative to the allocation of stalls and boxes. Sams will be rigidly enforced.

PARADES.

All horses must parade as they are shown in their competitive classes daily. Any exhibitor who fails to parade his horses shall forfeit all prize money (if any) won by him and be liable to a fine of £5 for each animal not paraded. A special parade of prize winners will be held on a day to be fixed if time permits. Should a horse be sold prior to the close of the Show, the entrant shall be responsible for the observance of the Parade Regulations.

This rule will be strictly enforced.

SCRATCHINGS.

Exhibitors and/or nominators will be subject to a fine of £2 for each horse not exhibited in each and every event for which it has been nominated unless notification of the scratching is made in writing to the Horse Superintendent NOT LATER THAN 7 P.M. ON THE DAY BEFORE THAT ON WHICH AN EVENT IS SCHEDULED TO TAKE PLACE.

ELIGIBILITY OF ENTRY.

An exhibit may be nominated in all classes for which it is eligible, provided the nomination has been made in the usual way.

An exhibit which has won in a pairs and/or fours class is still considered a Maiden or a Novice as the case may be for a single class.

EXHIBIT NUMBERS.

Exhibit numbers for exhibits will be supplied at the Horse Superintendent's Office, situated in the Horse Section, on the following basis:—

The position of the horse when "on the bit" depends on the conformation as well as on the degree of training of the horse.

SPECIFIC REQUIREMENTS.

The Halt.

At the halt, the horse should stand attentive, motionless and straight, with the weight evenly distributed over all four legs, and be ready to move off at the slightest indication of the rider. The neck raised, the poll high, the head a little in front of the vertical, the mouth light, the horse champing his bit and maintaining a light contact with the rider's hand.

The transition from any pace to the halt should be made progressively in a smooth and precise movement.

The Walk.

The walk is a marching pace in which the four legs of the horse follow one another in four-time, well marked and maintained in all work at the walk. When the four beats cease to be well marked, even and regular, the walk is disunited or broken.

It is at the pace of the walk that the imperfections in dressage are most marked. The pace will suffer if the degree of collection is not in accordance with the stage of schooling of the horse, but is precipitated.

The following walks are recognised: ordinary, collected, extended, and free.

(a) **Ordinary walk**—A free, regular and unconstrained walk of moderate extension. The horse should walk energetically but calmly, with even and determined steps, distinctly marking four equally-spaced beats. The rider should keep a light and steady contact with the mouth.

(b) **Collected walk**—The horse moves resolutely forward, with his neck raised and arched. The head approaches the vertical position, the light contact with the mouth being maintained. The hind legs are engaged with good hock action. The pace should remain marching and vigorous, the legs being placed in regular sequence. Each step covers less ground and is higher than at the ordinary walk because all the joints bend more markedly. The hind feet touch the ground behind the footprints of the fore feet.

In order not to become hurried or irregular the collected walk is slightly shorter than the ordinary walk, although showing greater mobility.

(c) **Extended walk**—The horse should cover as much ground as possible, without haste and without losing the regularity of his steps. The hind feet touch the ground clearly beyond the footprints of the fore feet. The rider lets the horse stretch out his head and neck without, however, losing contact, the head being carried in front of the vertical.

(d) **Free walk**—The free walk is a pace of rest in which, the reins being stretched to their utmost, the horse is allowed complete freedom of his head and neck.

The Trot.

The trot is a pace of two-time on alternate diagonals (near fore and off hind and vice versa) separated by a moment of suspension.

OBJECT AND GENERAL PRINCIPLES.

The object of Dressage is the harmonious development of the physique and ability of the horse. As a result, it makes the horse calm, supple and keen, thus achieving perfect understanding with its rider.

These qualities are revealed by:

- the freedom and regularity of the paces;
- the harmony, lightness and ease of the movements;
- the lightening of the forehand and the engagement of the hind quarters;
- the horse remaining absolutely straight in any movement along a straight line and bending accordingly when moving on curved lines.

The horse thus gives the impression of doing of his own accord what is required of him. Confident and attentive, he submits generously to the control of his rider.

His walk is regular, free and unconstrained. His trot is free, supple, regular, sustained and active. His canter is united, light and cadenced. His quarters are never inactive or sluggish. They respond to the slightest indication of the rider and thereby give life and spirit to all the rest of his body.

By virtue of a lively impulsion and the suppleness of his joints, free from the paralysing effects of resistance, the horse obeys willingly and without hesitation and responds to the various aids calmly and with precision.

In all his work, even at the halt, the horse must be on the bit. A horse is said to be "on the bit" when the hocks are correctly placed, the neck is more or less raised according to the extension or collection of the pace, the head remains steadily in position, the contact with the mouth is light and no resistance is offered to the rider.

Sec. 1—HORSES—Dressage Tests (Continued).

The trot, always with free, active and regular steps, should be gone into without hesitation.

The quality of the trot is judged by the general impression, the elasticity and regularity of the steps and the impulsion, while maintaining the same cadence.

The following trots are recognised: ordinary, collected, and extended.

(a) **Ordinary trot**—This is a pace between the extended and the collected trot. The horse goes forward freely and straight, engaging his hind legs with good hock action, on a taut but light rein, his position being balanced and unconstrained. The steps should be as even as possible. The hind feet touch the ground in the footprints of the fore feet.

The degree of energy and impulsion displayed at the ordinary trot denotes clearly the degree of suppleness and balance of the horse.

(b) **Collected trot**—The neck is raised, thus enabling the shoulders to move with greater ease in all directions, the hocks being well engaged and maintaining energetic impulsion, notwithstanding the slower movement. The horse's steps are shorter but he is lighter and more mobile.

(c) **Extended trot**—The horse covers as much ground as possible. He lengthens his stride, remaining on the bit with light contact. The neck is extended and, as a result of great impulsion from the quarters, the horse uses his shoulders, covering more ground at each step without his action becoming much higher.

The ordinary trot and extended trot are executed "rising" unless otherwise instructed. The collected trot is executed "sitting."

The Canter.

The canter is a pace of three-time. In the right canter for instance, the sequence is as follows, left hind leg, left diagonal (right hind and left fore leg), right fore leg followed by a period of suspension with all four legs in the air before taking the next stride.

The following canters are recognised, ordinary, collected, and extended.

(a) **Ordinary canter**—This is a pace between the extended canter and the collected canter. The horse, perfectly straight from head to tail, moves freely, with a natural balance. The strides are long, even and the pace well cadenced. The quarters develop an increasing impulsion.

(b) **Collected canter**—At the collected canter, the shoulders are supple, free and mobile and the quarters very active. The horse's mobility is increased without any loss of impulsion.

(c) **Extended canter**—The horse extends his neck; the tip of the nose points more or less forward, the horse lengthens his stride without losing any of his calmness and lightness.

Counter Canter (False Canter).

On the circle this is a suppling movement. The horse maintains his natural flexion at the poll to the outside of the circle, in other words, remains bent to the leading leg. His conformation does not permit his spine to be bent to the line of the circle.

The rider, avoiding any contortion, causing contraction and disorder, should especially endeavour

to limit the deviation of the quarters to the outside and restrict his demands according to the degree of suppleness of the horse.

Simple change of leg at the canter—This is a change whereby the horse is brought back into a walk and, after one or two well-defined steps, re-started into a canter with the other leg leading.

The change in the air—Flying change of leg at the canter.—The horse changes leg "in the air" in a single stride while cantering. This change of leg is termed as "flying" (or "in the air") when it is executed at the moment of suspension which follows each stride at the canter. The horse remains straight, calm and light.

The Rein Back.

The rein back is the walk backwards, the legs being raised and set down simultaneously by diagonal pairs. It is correct when the horse moves regularly in two-time, the hind legs remaining well in line and the legs being well raised. The horse must be ready to halt or move forward without pausing at the demands of his rider, remaining at all times lightly on the bit and well balanced.

Any signs of hurrying, evasion of the hand, deviation of the quarters from the straight line or spreading and inactivity of the haunches are serious faults. Violent influence on the part of the rider may be detrimental to the joints of the hind quarters. A horse that is not obedient to the aids of the rider in the rein back is insufficiently supplied, badly schooled or badly ridden.

If, in a dressage test, a trot or a canter is required after a rein back, the horse must strike off immediately into this pace without an intermediate step.

Submission.

At all paces, a slight inflexion of the jaw, without nervousness, is a criterion of the obedience of the horse and of the harmonious distribution of his forces.

Grinding the teeth and swishing of the tail are signs of resistance on the part of the horse. The judges must also take these into account in their marks for the general impression.

Transitions.

Change of pace and speed—Such changes should always be quickly made yet be smooth and not abrupt. The cadence of a pace should be maintained up to the moment when the pace or speed is changed or the horse halts. The horse remains light in hand, calm and maintains a correct position.

The same applies to transitions from the passage to the piaffer and from the piaffer to the passage.

Changes of Direction.

At changes of direction, the horse should adjust the bend of his body to the curvature of the line he follows, remaining supple and following the indications of the rider without any resistance or change of pace or speed.

Counter-change of hand—The rider changes direction by moving obliquely either to the quarter line or the centre line or to the opposite long side of the arena, whence he returns on an oblique line to the line he was following when he started the movement.

Sec. 1—HORSES—Dressage Tests (Continued).

At the counter-change of hand the rider should make his horse straight an instant before changing direction.

When the number of steps to either side is prescribed in the schedule, it must be strictly observed and the movement be executed symmetrically.

Any abruptness while changing direction is faulty.

Halts and Half-Halts.

The halt signifies the manner of stopping the horse from going forward, with the right leg the halt means "stop."

The halt is obtained by a displacement of the weight on the quarters by the action of the seat and by a resisting action of the hand, causing an instantaneous stop, while the legs are kept in readiness to maintain the impulsion.

The half-halt is an action of the hand with the object of preparing for the full halt or the transition to a lesser pace. In shifting more weight on the quarters, the engagement of the hind legs and balance on the haunches are facilitated.

Turn on the Forehand.

Keep the hands steady and firm to prevent the horse from going forward, with the right leg the rider should move the horse's quarters round the forehand, the inner (right) fore-leg being the pivot. The horse's head may be slightly flexed to the right but the neck must not be bent. The hind legs should move in regular and even steps, the right hind leg moving over and in front of the left. The rider's left leg controls the movement, prevents the horse from turning too far and sends him forward as soon as the turn is completed. The horse's inner fore-leg should remain on the same spot, he should not step forward.

Pirouettes.

Half-pirouette—This is the half-turn on the haunches. The forehand commences the half-turn, tracing a half-circle round the haunches, without pausing, at the moment the inside hind leg ceases its forward movement. The horse moves forward again, without a pause, upon completion of the half-turn.

During this movement the horse should maintain his impulsion and should never in the slightest move backwards or deviate sideways. It is necessary that the inside hind leg while forming the pivot should return to the same spot each time it leaves the ground.

Pirouette—This movement is a small circle on two tracks, with a radius equal to the length of the horse, the forehand moving round the haunches.

At whatever pace the pirouette is executed, the horse should turn smoothly, maintaining the exact cadence and sequence of legs of that pace.

At the pirouette, as at the half-pirouette, the fore legs and the outside hind leg move round the inside hind leg, which forms the pivot, and should return to the same spot each time it leaves the ground. If at the canter, this leg is not raised and returned to the ground in the same way as the other hind leg, the pace is no longer regular.

In executing the pirouette, the rider should maintain perfect lightness while accentuating the collection and the engagement of the quarters.

The quality of the pirouette is appreciated according to the regularity of the pace, its suppleness and cadence, the unobtrusiveness of the rider's aids, and the position and contact of the horse during and after the execution of the movement.

Pirouettes and half-pirouettes can be carried out at all paces.

The Collected Paces.

At the collected paces, the quarters of the horse are lowered with all the muscles and joints acting as springs. This enables the horse to develop his impulsion in a forward and upward direction. However, the hind legs should not be engaged too far forward under the horse's body as this would shorten the base of support of the horse and impede the movement. In such case the line of the back would be lengthened and raised in relation to the supporting base of the legs, the stability would be compromised and the horse would have difficulty in finding a harmonious and regular balance.

If, on the other hand, the legs are more perpendicular, it is easier for the horse to vary his balance in the vertical axis.

A normal position of the head and neck suitable for all horses does not exist. Only a position which gives the rider a lever with which to influence the quarters judiciously will make him master of the horse under all circumstances.

This position is characterised by the neck being raised unrestrained, forming a harmonious curve from the withers to the poll, the highest point, with the head perpendicular. However, this perpendicular position of the head should only be attained at the moment the rider applies his aids in order to obtain a momentary and passing collecting effect. Otherwise the head should be slightly in front of the perpendicular.

Position of the Rider.

All the movements should be obtained without apparent effort of the rider. He should be well balanced, with loins and hips supple, thighs and legs steady and well stretched downwards. The upper part of the body easy, free and erect with the arms close to the body, enabling the rider to follow the movements of the horse smoothly and freely and to apply his aids unobtrusively. This is the only position making it possible for the rider to school his horse progressively and correctly.

The aid of the seat is of great importance in dressage: only a rider who understands how to contract or relax his loin muscles at any moment is able to influence his horse correctly.

The use of the voice in any way whatsoever or clicking the tongue once or repeatedly is strictly forbidden and is considered a serious fault, involving the deduction of at least two marks from those that would otherwise have been awarded for the movement where this occurred.

Riding with both hands is obligatory.

At all dressage tests, except for ladies riding side-saddle, it is forbidden to carry a whip of any kind.

Time.

The length of the test laid down in each competition determines the time allowed for each com-

Sec. 1—HORSES—Trainey Pony Test.

petitor to carry it out. This time must be calculated generously. It is shown on the text of the test.

The chronometer is started after the salute to the judges, at the exact moment when the horse moves forward. It is stopped at the end of the test, as soon as the rider halts his horse and salutes.

If the rider has not finished his test within the time allowed the performance is not halted and the judges continue to mark the movement in the usual manner, but each commenced second in excess of the time allowed is penalised by half a point. The total of these penalties is deducted on each judge's sheet from the total points obtained by the rider.

Marking.

All the movements and the transitions from one to another are generally grouped together in categories.

They are marked from 0 to 10 by each judge. 0 is the worst mark and 10 the best.

The scale of marks is as follows:

10 and 9—Very good. 4 and 3—Insufficient.
8 and 7—Good. 2 and 1—Bad.
6 and 5—Sufficient. 0—Not performed.

The marks 10 and 0 must be awarded where the performance warrants their use.

The collective marks are awarded for:

Impulsion and Paces.
The submission, the suppleness and the lightness of the horse.
The position and seat of the rider, correct use of the aids.

Each collective mark is awarded from 0 to 10. The marks of some of the more difficult movements and in particular the collective marks may be multiplied by coefficients. The coefficients will be fixed separately for each of the tests.

F.E.I. THREE-DAY EVENT DRESSAGE TEST.

CLASS 209—The F.E.I. Three-Day Event Dressage Test. (Lady or Gentleman Riders). (Special Prizes)—Cups, Trophies, or Open Orders to the value of £50. Prizes valued, First, £30; second, £10; third, £6; fourth, £4; fifth and sixth, Ribbons. For horses and galloways, to be ridden by riders over 17 years of age. Judges may at their discretion eliminate any competitor who does not come up to the standard required at any time after the competitor has been in the arena for more than two minutes. This test is a more advanced test than the Medium Dressage Test and open to all horses and riders.

GENERAL REMARKS.
The Test.

The F.E.I. Three-Day Event Dressage Test will be interpreted in accordance with the relevant Rules of the F.E.I.

In this test, it is required to show that the horse possesses the submission, energy and suppleness needed, to perform with ease the smooth and extended paces which characterise riding in the open. This being the case, the test should be carried out with vigorous impulsion, the quarters and shoulders working strongly together, in a sustained pace, the horse well on the bit and accepting it. The degree of collection requires a light but firm contact on reins of medium length, the neck easy, the head flexed at the poll and slightly in advance of the vertical, but never a fully collected position.

System of Marking.

All the 30 movements are awarded from 0 to 6 good marks by each judge and two collective marks from 0 to 24 are awarded for general impression. There are, therefore, 228 good marks which can be awarded by each judge. Any penalties incurred for overtime or errors of course are deducted from each judge's sheet and the total marks of the three judges are then averaged. The good marks thus obtained are subtracted from 228, to express the score in penalty points.

Time.

The time allowed for the test is 12 minutes.

Errors of Course.

The test must be executed from memory. Errors of course or wrong sequence of movements, whether corrected or not, are penalised as follows:—

First error	2 marks
Second error	5 marks
Third error	Elimination

Arena.

The arena is 66 yards long and 22 yards wide and is separated from the spectators by a free space of 22 yards on all sides. Guiding marks are placed not less than 4 yards from the sides.

The centre line is marked throughout its length on the ground. The position of the points G and X are marked each by a large spot.

All movements must be executed at the points indicated and the turns and circles within the prescribed dimensions. Unless a change of rein is indicated, all movements are carried out straight round the arena.

Saddlery.

English saddle and simple double bridle, i.e., bridoon and bit with curb chain, are compulsory, lipstrap optional. Martingales and bearing, side or running reins of any kind are forbidden, as also are bandages, boots or any sort of blinkers. Riding whips are prohibited.

Sec. 1—HORSES—Hunting and Jumping Exhibitions (Continued).

- When measuring a horse, galloway, or pony an allowance of one-half ($\frac{1}{2}$) of an inch is to be made for shoes. Where an exhibitor disagrees with the Official Measurer's figure for an animal which has been measured with shoes on, he may, should he so desire, have it re-measured without shoes. The Official Measurer may, in his discretion, request the removal of shoes from any animal prior to measurement.

ENTRIES.

- Where a class is divided into divisions for purposes of judging, nominations must be made in the division in which the nominator desires to compete. Should the Society find it necessary to transfer a nomination from the division in which the nomination was made, the transfer shall either be printed in the Catalogue, or the amended entries for such division(s) posted at the office of the Horse Superintendent not later than 9 a.m. on the day on which the class is scheduled to be judged.

NOMINATIONS.

- The expression "nominator" shall mean a person making a nomination or application for entry.

DRAW FOR POSITIONS.

- The order of starting in each event will be drawn for immediately after scratchings have closed each evening. A copy of such draw will be posted on the Notice Board at the Horse Superintendent's Office and also in the Marshalling Yard before the first event of the succeeding day commences. Should any horse and rider be not ready to enter the ring in accordance with this draw and when called upon by the Marshalling Yard Steward he will be automatically scratched and penalised in accordance with the Regulation regarding scratchings appearing on page 1-4. The order of starting may only be altered by special permission of the Committee or in the event of a rider riding more than one horse being drawn too close together to make such order practicable.

COURSE AND OBSTACLES.

- The course and the obstacles and the conditions of contest for use or application in the contesting and judging of each class will respectively be such as the Committee shall in its discretion determine; course, obstacles, and conditions of competition will, however, correspond in the main with those recognised by the Federation Equestre Internationale.
- The judge, in making his awards in respect of each jumping contest, shall take into account penalties prescribed by the Committee for FAULTS as set out on pages 1-76 and 1-77 of the Show Schedule.

DIVISIONS.

- The Committee may at any time divide any class into two or more divisions and may

determine that each division shall be limited to such number of horses as the Committee shall think fit.

- Where the Committee has divided a class into two or more divisions and where notice of its having done so has been published, a nominator may indicate in his certificate of entry the division to which he prefers a particular exhibit to be allocated. In making its allocation the Committee will take into consideration any preference so declared but will not be bound to accede to same.
- An exhibit shall not be eligible to compete in more than one division of a class.
- Each division of a class shall be, and be conducted as, a separate class and prizes shall be awarded to the place getters in each division as though it were originally a class.
- Except with the consent of the Committee no exhibit shall be withdrawn from a division of a class to which it has been allocated, and each nominator shall take all such steps as may be necessary to ensure that his exhibit will compete in the division of the class to which it has been allocated.
- If a nominator desires to withdraw an exhibit from a division to which it has been allocated—
 - he shall apply in writing to the Committee for consent to such withdrawal and any such application shall embody or be accompanied by a statement of the reasons for such withdrawal.
 - the application must be lodged with the Horse Superintendent at least twenty-four (24) hours before the time at which the division is scheduled to be judged. The Committee may grant or withhold its consent as it may think fit.
- If, without the consent of the Committee, an exhibit allocated to a division of a class shall not compete in that division, the Committee may declare such exhibit to be ineligible to compete in any other class or classes for which it might otherwise be eligible and may declare all or any other exhibits of the same nominator to be ineligible to compete in any class or classes for which such exhibit or exhibits would otherwise have been eligible.
- The Committee may at any time withdraw any exhibit from one division to which it has been allocated and re-allocate the exhibit to some other division of the same class. But notice of such re-allocation shall as soon as practicable—
 - be given to the nominator, and
 - be posted at the office of the Horse Superintendent.

PRIZE MONEY.

- The prize money originally allocated in the Prize Schedule to the divisions of a class shall not be disturbed unless the divisions of such class are amended after the closing date of nominations, in which case the allocation of the aggregate prize money amongst the divisions shall be, as nearly as practicable, pro rata to the number of entries allocated to the division or divisions respectively.

Sec. 1—HORSES—Hunting and Jumping Exhibitions (Continued).

29. Notice of an alteration in the amount of prize money allocated to each division shall be posted up at the Horse Superintendent's office before 9 a.m. on the day upon which the class is scheduled to be judged.

JUMPING CONTESTS. GROUPS.

30. Jumping Contests will comprise five Groups, that is to say:—

Group "A"

For horses which are over 14.2 hands and which have won more than £50 in the aggregate in jumping events at Shows and against competition approved in each case for the purpose by the Society.

Group "B"

For horses which are over 14.2 hands and which have won a sum not exceeding £50 in the aggregate in jumping events at Shows and against competition approved in each case for the purpose by the Society.

Group "C"

For ponies and galloways which are not over 14.2 hands and which have won more than £40 in the aggregate in jumping events at shows and against competition approved in each case for the purpose by the Society.

Group "D"

For ponies and galloways which are not over 14.2 hands and which have won a sum not exceeding £40 in the aggregate in jumping events at shows and against competition approved in each case for the purpose by the Society.

Group "E"

For "A" and "B" Group horses entered in Teams, Jack Pot, or Pair Jumping Contests.

31. An animal entered and/or competing in a class or classes in Group "A" shall not by reason only thereof be ineligible from entering and competing in a class or classes in Group "E" but shall be ineligible to enter or compete in any class in Group "B", "C", or "D".

32. An animal entered and/or competing in Group "B" shall not by reason only thereof be ineligible from entering and competing in a class or classes in Group "E" but shall be ineligible to enter or compete in any class in Group "A", "C", or "D".

33. An animal entered and/or competing in Group "C" shall be ineligible to enter or compete in any class in Group "A", "B", "D", or "E".

34. An animal entered and/or competing in Group "D" shall be ineligible to enter or compete in any class in Group "A", "B", "C", or "E".

35. Notwithstanding anything to the contrary, the Society may allocate an animal to any class and may at any time transfer any animal from one class to another class notwithstanding that such classes are not within the same Group and upon any such transfer the animal shall be deemed to be entered in and shall compete in the class to which it has been so allocated or transferred.

36. The Society shall have the sole right to determine the eligibility of any animal for any particular class and without prejudice to the generality of the foregoing to determine the aggregate amount of prize money which an animal shall be deemed to have won for the purposes of these Regulations.

37. Each nominator of an exhibit for entry in a jumping contest shall in his Certificate of Nomination furnish the following information:—

- (a) The name of the exhibit.
- (b) The type and description of the exhibit (e.g., horse, galloway, or pony).
- (c) Its height in hands.
- (d) Particulars of all prize money won in jumping contests by such exhibit including particulars of the Show or Shows at which the prize money was won, the relative class or classes, and the approximate times such Shows were held.

38. Each Group will comprise various classes as indicated in the Show Schedule.

39. Each horse must have been accepted for registration in the Equestrian Federation of Australia (State Branches) Register of Hunting and Jumping horses, or in a National Federation Register. In all cases, proof of such registration must be produced.

JUDGING ON FAULTS.

The jumping contests at the 1959 Royal Easter Show will be judged under the following Regulations, in conjunction with applicable Special Horse Regulations.

1. Obstacle Knocked Down:

- (a) An obstacle is said to be knocked down when, through the fault of the horse or rider, any part is knocked down, or one of its ends at least is dislodged.
- (b) Touches, raps, and tips do not penalise. Slats will on no account be used.
- (c) When an obstacle is composed of several elements placed on top of another in the same vertical plane, such as several bars fixed to the same upright (post and rails), a knock-down of the top element only is penalised.
- (d) When an obstacle to be taken in one jump is composed of several elements not in the same plane (Triple Bars, Double Oxer), a knock-down of one or more elements will be penalised only as for one knock-down.

2. Refusal:

(a) If, in the opinion of the Judge(s), the horse is presented at the fence and refuses to attempt to jump, or runs out at the side, it shall count as a refusal, whether the fence is knocked down or not. If the fence is knocked down it shall be put up again before the rider makes another attempt. The rider should not continue his or her round until the Judge(s) gives the signal. Should a competitor, who has knocked down a fence when refusing deliberately jump that fence before it is re-set, he or she will be eliminated.

Sec. 1—HORSES—Hunting and Jumping Exhibitions (Continued).

If the horse, in attempting to refuse, slides into the obstacle, pushing it down, and its hind-legs cross the line of the jump, it shall count a jump and four faults be scored. If, however, the horse stops before the hind-legs cross the line of the jump, and is taken back, it shall count as a refusal.

If the horse, after refusing, is pushed through the fence, the faults made will be added to those for the refusal. When the obstacle is composed of more than one element to be taken in a single jump or leap by the horse (i.e., Double Oxer, Parallel Bars, Triple Bars, etc.), the line shall be deemed to be that of the element nearest the take-off-side of the obstacle.

- (b) Showing an obstacle to the horse after a refusal and before resuming the course incurs elimination.
- (c) Should a competitor, on entering the Ring, show his horse an obstacle before commencing the round, he will be eliminated.
- (d) If a horse, when refusing an obstacle, knocks down the obstacle and jumps it before it is re-set, he will be eliminated.
- (e) After a refusal should a horse continue without attempting to re-jump the obstacle at which he refused, he will be eliminated.

3. Running-Out:

It is considered as running-out and the horse must be brought back to jump the obstacle again, falling which he is eliminated, when:—

- (a) the horse, not being properly under the control of his rider, avoids the obstacle he should have jumped;
- (b) he jumps the obstacle outside the boundary flags which mark it.

4. Refusals at a Double or Treble:

Clearing an obstacle which is a Double or a Treble constitutes a particular test, and the fences cannot, therefore, be separated.

Consequently, if a horse refuses, runs out, or falls in between any of these obstacles, the rider is obliged to start over again from the first of these fences.

All faults, including refusals at each fence during the various attempts, will be totalled up.

The complete Double or Treble should be numbered as one obstacle only.

5. Penalties and Marking:

Table "A"

(a) First turn round, circle, run out, or refusal 3 faults

1093	7	7	7	7	8	8	8	9	10	11	11	12	13	15

Second turn round, circle, run out, or refusal 6 faults
Third turn round, circle, run out, or refusal Eliminated

The above are cumulative on the entire round.

- (b) Obstacle knocked down 4 faults
- (c) Fall of horse and rider or fall of rider only 8 faults

Definition of a Fall:—A horse is considered to have fallen when the shoulder and quarters on the same side touch the ground or touch the obstacle and ground. A rider is considered to have fallen when there is a separation between him and his horse which necessitates his remounting or vaulting into the saddle.

- (d) Jumping an obstacle out of correct order Eliminated
- (e) Jumping an obstacle before it is re-set Eliminated
- (f) Horse leaving the arena, whether mounted or riderless Eliminated

- (g) Landing on the marked tape of a water jump or with a foot in the water, knocking over a boundary flag 4 faults

(Note: Should a horse land in water or ditch, in addition to knocking down the fence, he cannot be penalised more than four faults. It is only one obstacle.)

Table "B"

- (a) Obstacle knocked down—10 penalty seconds.
- (b) Exceeding time allowed—penalised by two penalty seconds at the start of each second over time allowed.
- (c) Falls and the two first disobediences are penalised indirectly by loss of time.
- (d) Faults which incur elimination under Table "A"—Elimination.

Table "C"

For this Table, the faults are counted as seconds in proportion to the length of the course and the number of obstacles. (See Table below). The other penalties are the same as for Table "B".

Sec. 1—HORSES—Hunting and Jumping Exhibitions (Continued).

6. Time:

- (a) Unless otherwise stated in the conditions of the contest, the "Time Allowed" for the course will be worked out on the basis of 382 yards per minute, according to the length of the course measured on the track that a well-trained horse would take.
- (b) The "Time Limit" is twice the "Time Allowed."
- (c) Faults for Time:—
For every second or part of a second exceeding the "Time Allowed" 1/2 fault
Exceeding the "Time Limit"—Eliminated.

7. General:

- (a) Weight. In jumping contests at a Royal Easter Show, unless otherwise stated, gentlemen will ride at a minimum of 11-stone, ladies, catch weights.
- (b) Blinkers are prohibited.
- (c) Competitors are forbidden under penalty of disqualification for the entire Show, to enter the ring mounted, except during the contests or for authorised parades, etc.

8. Jumping-Off:

In the event of a tie for first place there will be a jump off over a shortened course with the obstacles increased in height. The horse completing the course with the least number of faults will be declared the winner. If after this jump off there is still a tie for first place, there will be a further jump off in which time will be the deciding factor OR at the discretion of the Committee a jump off may be conducted over a shortened course with the height of obstacles raised. The fastest time with the least number of faults to decide the winner.

The jump-off is to decide first place only. Other competitors with an equal number of faults will share the remaining prizes, if any. Prizes are firstly divided amongst the remaining jumping-off contestants in order of merit and then, if necessary, amongst the other competitors according to faults.

SPECIAL JUMPING REGULATIONS.

Special Jumping Regulations 15 to 38 shall apply to all jumping contests.

Unless otherwise stated, ladies and gentlemen may ride in all jumping contests.

Riders will be permitted to "Walk the Course" prior to the commencement of each jumping contest.

To enable a rider to make an examination of the course and obstacles, he or she may enter the ring half an hour prior to the commencement of the jumping contest concerned. A rider will not be permitted to enter the ring unless he or she has first obtained a ring pass, for the purpose, at the Horse Superintendent's office. Such pass will indicate the class number for the jumping contest, the date on which the contest

will be conducted, and time that each rider will be permitted to enter the ring for the purpose of examining the course and obstacles. Examination of the course and obstacles shall be restricted to riders who will be participating in the contest concerned.

Each horse nominated must have been accepted for registration in the Equestrian Federation of Australia (State Branches) Register of Hunting and Jumping horses or in a National Federation Register. In all cases proof of such registration must be produced.

- CLASS 226**—The "Ferris Bros." Fault and Out Jumping Contest.
 (Special Prizes)—£100, presented by Ferris Bros. Pty., Ltd., Makers of Ferris Car Radio and Ferris Television Sets, 752 Pittwater-rd., Brookvale, Sydney. First, £50; second, £25; third, £15; fourth, £10. For "A" Group horses over 14.2 hands. To be tried over a course as stipulated by the Committee. For the purpose of timing this contest a stop watch will be set in motion when the competitor passes a post, approximately 30 feet from the first obstacle. The aim of the contestant is to negotiate as many jumps as possible in the allotted period of 1 minute 30 seconds, the expiry of which is signalled by the ringing of a bell. A test automatically ends at the first fault incurred whatever it may be (knock-down, any disobedience, etc.). In this competition points are awarded instead of faults. Two points for each obstacle jumped clearly and one point for the obstacle knocked down. The winner is the competitor who scores the greatest number of points. In the event of a tie the winner shall be decided by a jump-off over a limited number of obstacles, when the time factor shall decide the award. After the ringing of the bell to signal the expiry of the competition, the competitor will continue on and jump the next obstacle. Should this not be done, the competitor shall be eliminated. Ladies and gentlemen are eligible to ride in this contest at catch weights.

CLASS 235—The "Australian Women's Weekly" Fault and Out Jumping Contest.

(Special Prizes)—£100, presented by Australian Consolidated Press, Ltd., 168 Castlereagh-st., Sydney, publishers of the Daily Telegraph, Sunday Telegraph, The Australian Women's Weekly, and Weekend. First, £50; second, £25; third, £15; fourth, £10. For "B" Group horses over 14.2 hands. To be tried over a course as stipulated by the Committee. For the purpose of timing this contest a stop watch will be set in motion when the competitor passes a post, approximately 30 feet from the first obstacle. The aim of the contestant is to negotiate as many jumps as possible in the allotted period of 1 minute 30 seconds, the expiry of which is signalled by the ringing of a bell. A test automatically ends at the first fault incurred whatever it may be (knock-down, any disobedience, etc.). In this competition points are awarded instead of faults. Two points for each obstacle jumped clearly and one point for the obstacle knocked down. The winner is the competitor who scores the greatest number of points. In the event of a tie the winner

shall be decided by a jump-off over a limited number of obstacles, when the time factor shall decide the award. After the ringing of the bell to signal the expiry of the competition, the competitor will continue on and jump the next obstacle. Should this not be done, the competitor shall be eliminated.

Ladies and gentlemen are eligible to ride in this contest at catch weights.

CLASS 240—The "Grace Bros." Pony and Galloway Fault and Out Jumping Contest.

(Special Prizes)—£50, presented by Grace Bros. Pty., Ltd., Broadway, Sydney. First, £32; second, £12; third, £6. For ponies and galloways not exceeding 14.2 hands, to be tried over a course as stipulated by the Committee. For the purpose of timing this contest a stop watch will be set in motion when the competitor passes a post approximately 30 feet from the first obstacle. The aim of the contestant is to negotiate as many jumps as possible in the allotted period of 1 minute 30 seconds, the expiry of which is signalled by the ringing of a bell. A test automatically ends at the first fault incurred whatever it may be (knock-down, any disobedience, etc.). In this competition points are awarded instead of faults. Two points for each obstacle jumped clearly and one point for the obstacle knocked down. The winner is the competitor who scores the greatest number of points. In the event of a tie the winner shall be decided by a jump-off over a limited number of obstacles, when the time factor shall decide the award. After the ringing of the bell to signal the expiry of the competition, the competitor will continue on and jump the next obstacle. Should this not be done, the competitor shall be eliminated.

(Special Prizes)—£250, presented by Penfolds Wines Pty., Ltd., Queen Victoria Buildings, 80 York-st., Sydney. First, £125; second, £75; third, £25; fourth, £15; fifth, £10. This contest will be restricted to teams of four horses, over 14.2 hands, and riders from each State of the Commonwealth of Australia and the Dominion of New Zealand. Each State or Dominion will be limited to a maximum of two teams each. Teams will be selected by their respective State Branches of the Equestrian Federation of Australia or their National Federation from horses already nominated in other jumping events. Two reserve horses and/or riders for each team may also be nominated. Once a final selection of riders and horses has been submitted to the Director no substitute will be allowed except on production of an approved medical or veterinary certificate, as the case may be. Horses or reserve horses must be ridden by the riders as nominated. A replacement of a horse or rider must be made from the six horses originally nominated for the said team. In the case of a State or Dominion nominating more than one team, they are required to be nominated as the State or Dominion's "A" or "B" team. Nominations must be submitted to the Director in writing not later than 5 p.m. on the day preceding the day on which the first round of the event is scheduled to be contested. To be tried over a course decided by the Committee. Each team will be required to jump during two distinct night sessions of the Show. The first round will run at a speed of 382 yards per minute, the second round at a speed of 437 yards per minute. The prizes shall be decided in accordance with the least aggregate number of faults of the best three horses in each team. The prize money will be divided among the owners of the horses in the winning teams.

CLASS 245—The "Daily Telegraph" Championship Jumper's Jackpot Contest.

(Special Prizes)—£200, presented by the "Daily Telegraph", 168 Castlereagh-st., Sydney, viz.: First, £100; second, £60; third, £25; fourth, £10; fifth, £5. This contest will, at the discretion of the Committee, be restricted to 20 horses, and shall include those horses which have won an event in "A" Group during the currency of the 1959 Royal Easter Show and those horses securing the least average number of jumping faults in any three of the following classes: 223, 224, 225, 227, 229, 230, 231, 232, 233, 236, 243, 244. To be tried over course which includes five or more obstacles, varying in height. Children under 17 years of age are not eligible to compete in this contest.

On the wings of each obstacle will be placed a large facsimile playing card to indicate the point value of such obstacle. The contestant having passed the starting line, shall jump five obstacles of his or her own choice. The obstacles may be jumped from either direction, and in any order. The same obstacle shall not be jumped more than twice. For each obstacle which has been clearly jumped the competitor will be awarded points as indicated by the facsimile playing card. Point value of each obstacle shall be:—

Ace	14 points
King	13 points
Queen	12 points
Knave	11 points
Ten	10 points

The larger obstacles carry a greater point value. The prizes shall be awarded to the contestant securing the greatest aggregate number of points for the five obstacles. In the event of a tie for first place the fastest time will decide the award. Time will be taken from the moment the horse's feet leave the ground at its first attempt, and will terminate when its fore feet touch the ground after its last attempt. In the event of a disobedience at the first obstacle, time will be taken from the moment the disobedience occurs. The minor awards will be made in accordance with the number of points gained. Disobedience and refusals to the limit of three will only be penalised indirectly by loss of time. A contestant cannot by-pass an obstacle which his mount has failed or refused to jump. The obstacle must first be cleared before proceeding to the next obstacle. A contestant jumping more or fewer than five obstacles shall be eliminated from the contest. Ladies and gentlemen may ride at catch weights. This contest will be conducted during the evening session on the last night of the 1959 Royal Easter Show.
