The non-payment of such fines to debar all persons owing them from exhibiting at future exhibitions of the Society.

A competitor shall not be eligible to be awarded points unless he has paraded on at least three occasions wearing the armband number allocated for the competition. Account will be taken of difficulties which a competitor may have in controlling an exhibit.

CONDITIONS.

PREFACE.

The Fat Lamb Carcass Competitions will be governed by the general Rules and Regulations of the Royal Agricultural Society and by the Special Regulations hereunder.

The Special Conditions are designed to permit exhibitors to provide exhibits between the 1st July and the closing date for entry (28th January, 1960) at an age and in a condition most suitable for the export trade.

In order to ensure that the carcasses judged are representative of a "half a car load" (not less than 50 lambs) furnished by the exhibitor the Special Regulations contemplate that in respect of each entry each exhibitor will submit at least 50 lambs from which a representative selection of six will be made and after slaughtering three of the carcasses from these six will be regarded as the exhibitor's exhibit and will be judged at the N.S.W. State Abattoir, Homebush, in competition with other exhibits.

Facilities are provided to enable the draft or "half car load" of lambs to be sent to the exhibitor's selling agent at any time between 1st July and the closing date of entry so that this selection of six lambs can then be made and the carcasses held in the freezing chambers of the N.S.W. State Abattoir until all exhibitors' carcasses are ready for submission to the Judge.

SPECIAL REGULATIONS.

- The following Special Regulations apply to entries and exhibits for the 1960 Royal Easter Show but may be revised in respect of entries or exhibits for any subsequent Royal Easter Show.
- The closing date for entry for the 1960 Royal Easter Show is Thursday, 28th January, 1960.
- LAMBS ARE TO BE SLAUGHTERED AT N.S.W. STATE ABATTOIR, HOMEBUSH BAY, SYDNEY.
- Each exhibitor shall nominate an agent at Flemington sale yards to act as his Agent and shall notify the Director of the Society of such nomination in writing and such notification shall be given at least seven clear days before the despatch of the exhibitor's "half car load" of lambs pursuant to the provisions hereinafter contained. The Royal Agricultural Society of N.S.W. will nominate an agent for any exhibitor whose "half car load" of lambs is to be forwarded to the SYDNEY MEAT PRESERVING COMPANY (LIMITED) or the RIVERSTONE MEAT CO. PTY., LTD., provided advice is received within the aforementioned stipulated period.
- Applications for entry may be lodged with the Society at any time between the 1st day of July, 1959, and the closing date for entry but the Society shall not be called upon to accept or reject an application until after the closing date for entry and no act on the part of the Society prior to formal acceptance of the application in writing shall be regarded as or constitute an acceptance of the application.
- An exhibitor shall be restricted to three entries in any one class.
- An exhibitor shall consign or deliver to his nominated agent at Flemington sale yards, or the Sydney Meat Preserving Company (Limited), Auburn, or the Riverstone Meat Co. Pty., Ltd., Riverstone, a "half car load" of lambs comprising a minimum of 50 head.
- At least SEVEN CLEAR DAYS' PREVIOUS NOTICE in writing of the date when the "half car load" of lambs will reach Flemington, Auburn, or Riverstone and be delivered to the nominated agent shall be given to the Director. Lambs must be consigned to Flemington, Auburn, or Riverstone whether they are sold on the property or are to be submitted for public auction at Flemington. Lambs will not be accepted for slaughter unless this provision is observed.
- The lambs comprising the "half car load" must all be lambs bred by the exhibitor and every such lamb must be of suitable age and condition for the export trade.
- Each exhibitor shall furnish particulars, in writing to the Director, of the breed of the sire and dam of the respective lambs comprising the "half car load" and such particulars shall accompany the application for entry.
- The six lambs of each "half car load" shall be indelibly and clearly marked by the exhibitor so that they may be identified as comprising the "half car load" and be distinguished from the lambs comprising any other "half car load" of the same exhibitor.
- The expression "half car load" means a mob of lambs capable of being contained in a sheep van for transport by rail.
- The following rules and procedure will apply to each "half car load" which shall comprise not less than 50 lambs:—
 - An exhibitor may select and raddle his lambs prior to their despatch to Flemington, Auburn, or Riverstone. Upon receipt of the consignment of the "half car load" by the relative agents at Flemington, Auburn, or Riverstone, if a selection has not already been made, the exhibitor, or failing him the Society, will arrange for an expert, who will be a representative of the New South Wales Meat Exporters, to select and raddle, for the purpose of identification, six lambs which must be representative of the bulk of the lambs comprising the "half car load".
 - The six lambs so selected and the balance of the lambs comprising the "half car load" shall be subject to inspection by an Inspection Committee (known as the "R.A.S. Stewards' Fat Lamb Inspection Committee").
 - The decision of the said Committee as to whether the lambs comprising the "half car load" are of suitable age and condition for the export trade and whether the six selected lambs are representative of the lambs comprising the "half car load" and as to any other matter which may be referred to the Committee shall be accepted as final.
 - The balance of the "half car load" after the six lambs have been selected shall be at the disposal of the exhibitor.
 - The six selected lambs shall at all times be subject to the control of the Society but subject thereto may be sold by the exhibitor's nominated agent on behalf of the exhibitor on the condition that such lambs shall remain subject to the provisions of these Regulations.
