CONDITIONS.

1. No person shall be eligible to compete unless he is a member of the R.A.S. Axemen's Association of N.S.W., or, in the case of a competitor residing outside the State of N.S.W.,

he is a member of an Axemen's Association recognised as such by the Society, or as approved by the R.A.S. of N.S.W. Wood-chopping Committee.

2. An entry will not be accepted unless accompanied by the prescribed entry fee. Should a competitor nominate for a restricted event, and be not selected for such event, the entry fee shall be refunded.
3. A competitor must, at time of nomination, furnish his last six performances in all events. Any competitor failing to comply with this rule shall be liable to any penalty the Committee may deem fit. Handicaps will be arranged on the basis of form, ability and performance, and shall be determined by a Board of Handicappers appointed by the Committee.
4. If an axeman or sawyer shall win or be awarded a ribbon in an event held after the closing date of entries, he must notify the Society and/or handicapper of such fact immediately upon arrival at the Show. A competitor who fails to comply with this Regulation shall be liable to disqualification.

5. Particulars of marks and heats will, as far as practicable, be posted on a notice board in the dressing room during the day before the event is scheduled to take place. A competitor who wins an event after the posting of marks may be re-handicapped for any subsequent event or events. The Committee reserves the right to re-handicap a competitor before or after an event has commenced.

For Programme Arrangement purposes, Handicaps shall be those ruling at time entries close. For Relay Teams Contests, Handicaps shall be arranged on the basis of those ruling at the commencement of the Show.

Handicapping limits:—Time: 10-inch combination chop, 20 seconds; 12-inch diameter, 20 seconds; 13-inch diameter, 25 seconds, 14-inch diameter, 27 seconds; 15-inch diameter, 30 seconds; 24-inch diameter double-handed sawing contests, 12 seconds.

6. All scratchings must be notified to the Director not later than one hour before the event is scheduled to commence. Each and every scratching must be notified on the special forms provided for this purpose which are available at the office in the Woodchopping Stadium.

A competitor who fails to appear in any event(s) for which he has entered, provided he has not scratched from such event(s) in accordance with the conditions hereinbefore stated, shall be liable to a penalty of £1 for each scratching he fails to notify up to a maximum penalty not exceeding five pounds (£5).

Sec. 15—WOOD-CHOPPING (Continued).

7. Competitors will be notified by means of a public address system at least 20 minutes before each event is timed to start. Each competitor must be at his log at least 10 minutes prior to the notified starting time. Any competitor not so present shall be precluded from competing in the relative event.
8. A competitor who scratches from a heat after particulars have been posted on the notice board (see Clause 5) or have been made public shall not be permitted to compete in another heat of the same event.
9. If a competitor shall scratch from or shall fail to compete in an event he shall not be entitled to any refund in respect of his nomination entry fee.
10. Chopping and sawing contests will be conducted or sawed in heats and a final or as determined by the Society's officials, according to the number of competitors. Semi-finalists shall be drawn in order of heats—competitors from the first, second, third and fourth heats shall be automatically placed in the first semi-final. In so far as circumstances permit a final shall not commence earlier than within one hour of the last heat or semi-final of the relevant event. The Committee shall endeavour to restrict the number of finals on any one day. In Championship events, seeded competitors shall be allocated to the respective heats.
11. A competitor shall be disqualified if he starts before the starting number marked on his log has been called by the Starter. Start means when the axe hits the log.
12. At the completion of each contest the competitors must remain at their logs until placings have been announced by the Judges.
13. A competitor who cuts through his foothold or footholds in an under-hand event will be disqualified.
14. Axes and saws must entirely sever logs in two parts.

In the case of an unsevered splinter, the same ruling will be applied as in the case of a slab, that is, if the splinter is less than half an inch in thickness in its greatest dimension, it will not result in disqualification. This ruling will not apply in cases where the log is held together by a splinter irrespective how thin the splinter may be.
15. Pushing or pulling the log with axe, foot, or hand will render the competitor liable to disqualification. Pushing the log with the foot includes the application of undue pressure to the loose end of the log after the last blow has been delivered by raising the foot and kicking downwards, forwards, or backwards.
16. Should a competitor wish to lodge a protest on the result of any heat, semi-final, or final of any event, he shall personally lodge such protest with the Steward-in-Chief immediately following the Judge's placings and before the competitors leave the ring.
17. Unless otherwise determined by the Committee, the first and second competitors in each heat and no other competitors in that heat shall be eligible to compete in the final.
18. Except as stated in Clause 16, and the Steward-in-Chief deciding that the placings as recorded by the judging machine, if in use, shall be accepted; the decision of the Judge(s) in each event will be final and conclusive.
19. At the conclusion of each event the Judge(s) will indicate to the Check Starter(s) the logs which are to be inspected. The Check Starter(s) will thoroughly inspect such logs to ensure that the foothold or footholds have not been cut through, that slabs (if any) have been dealt with in accordance with the rules, and that the logs have been properly severed (see Clause 28). He will then signal the Judge(s) that everything is in order, and thereupon the Judge(s) will announce his or their placings. Persons, other than officials, competitors and competitors' attendants concerned, shall not be permitted in the ring while inspections are being made by the Check Starter(s).
20. Competitors in heats must continue to chop or saw until three blocks have been severed. Any competitor failing to observe this rule may be dealt with in such manner as the Committee may see fit, unless the Judge(s) are satisfied that such competitor is suffering from exhaustion, or has broken or damaged his axe or saw or is excused for other sufficient reason.
21. Competitors in Under-Hand Events should preferably ensure that their logs are set up to enable the competitors to finish the contest facing the Judge(s).
22. In Sawing Competitions all saw cuts to be started as close as possible to the front end of the log and which shall be not more than 4 inches in from the edge of the top side. Oil may be used only prior to the commencement of the contest.
23. In Single-Handed Sawing Events the free end of the saw must be free of handle and/or any weighting device.
24. A competitor shall not be allowed to make any mark with axe or saw on his log before his starting time is called, provided that in an under-hand event the competitor may make a foothold. Violation of the rule shall render the competitor liable to disqualification and/or suspension.

Sec. 15—WOOD-CHOPPING (Continued).

25. A competitor shall not trim his log or hit it with the head of an axe, or cut it in any way. In tree-felling events, trimming of the sapwood or deeper is prohibited unless for special reasons and then only after permission is first obtained from the Steward-in-Chief. Fragments of bark may be removed. The cutting of practice footholes in trees erected for competition is prohibited. In Butchers' Block Events the splitting off of top or bottom scarf wood is prohibited. In chopping and sawing events all logs will be trimmed to size prior to the scheduled time for the particular event. After the "draw" has been made, "freshening" will not be permitted.
26. Logs may be washed only with water. No other preparation shall be used.
27. Every competitor shall cut or saw the block drawn for him and only that block. A competitor who changes or attempts to change the block allotted to him may be disqualified or otherwise dealt with as the Committee may deem fit.
28. In all wood-chopping contests any competitor slabbing his block will be disqualified and shall forfeit his right to all prize money, if any, won by him in such event, except that he shall not be disqualified for slabbing provided he severs the slabbed piece without assistance from any other person. A slab is defined as that portion of the log which is dislodged as a result of a "run" to saw-cut or foothold and should exceed $\frac{1}{2}$ inch in its greatest dimension at the foothold or saw-cut end.
29. The only persons authorised to be in the arena during the rigging of blocks are competitors who are entered to compete in the event, and the axemen appointed as deputies for the event, Stewards and other Officials.
30. No person other than a competitor, wedger, or official shall enter or be within the ring during the conduct of an event. Assistants in Sawing events shall not enter the ring before the competitors for whom they are to act as assistants are called for such event.
31. In sawing contests, any wedger touching or guiding a saw in any way will result in the competitor or team concerned being automatically disqualified.
32. The logs may be any variety of timber and of any length approved by the Officials. The diameter of all logs will be as uniform as practicable for each event. Logs will be numbered and will be allocated by Lot drawn by the Officials in the presence of the competitors concerned.
33. No official is authorised to assist a competitor by giving advice.
34. Each competitor shall wear white trousers, white boots or shoes, and a singlet which must be of a colour considered by the Committee to be appropriate to the State in which he resides. A competitor's wearing apparel must at all times be kept in a clean and tidy condition throughout the period of the Show.
35. Any competitor conducting himself in an unruly manner, contributing to or inciting discontent, or attempting to deceive an Official, or infringing any of the rules or conditions may be disqualified and/or dealt with as the Council may deem fit.
36. The Committee may, in its absolute discretion, disqualify, eliminate, or otherwise deal with any competitor in any wood-chopping or sawing event in such circumstances and on such grounds as it may think fit and without assigning any reason therefor.
37. The Society may, prior to or after the closing date of entries, limit the number of competitors in any event.
38. The Committee reserves the right to cancel any event without assigning a reason, and in which case a refund of the entry fee may be made.
39. Every care must be exercised to keep axes and saws covered. Axes and saws MUST not be carried among the general public, unless so covered.

NOTE:—

- (1) As early as possible after the Wood-Chopping and Sawing Programme has been printed, and before the commencement of the Royal Easter Show, a copy of the Sectional Catalogue will be sent to each competitor. This will ensure that all competitors are thoroughly conversant with the Programme and the days and times on and at which all events will be conducted.
- (2) Logs situated in a reserved area adjacent to the Wood-Chopping Stadium, will be provided to enable competitors to test their axes. Competitors shall not be permitted to test their axes in the arena.
- (3) Each competitor who has nominated in two or more events will be issued with tickets for the full period of the Show on the following basis:—
- (a) A combined competitor's admission ticket to the Showground and Wood-Chopping Stadium (not transferable), and
- (b) A lady's admission ticket to the Wood-Chopping Stadium.

THE BRITSTAND TROPHY

The Britstand Trophy" has won recognition as the "Axeman's Oscar". As with the well-known Academy Awards of the Film Industry, each year's winner of the Trophy is presented with a facsimile miniature of the Bronze figure. Each year a plate engraved with the name of the current year's winner is added to the base of the Trophy.

Four-times Winner.

Axemen to whom the miniatures have been awarded include G. E. Parker (Q'ld.), W. M. Johnston (N.S.W.), T. Kirk (N.S.W.), R. McCarthy (N.S.W.), L. Tagg (Q'ld.), J. O'Toole (Vic.), M. Youd (Tas.), and C. MacIntosh (N.S.W.). T. Kirk won the Trophy for the third time in 1952, and J. O'Toole won the Trophy for the third time in 1956. The 1953 winner, Mr. M. Youd (Tas.) won the Trophy again in 1957, while Mr. J. H. Brodie, of Queensland, was 1958 winner. Last year Mr. J. O'Toole won the Trophy again — the fourth occasion on which he has been Champion.

The Trophy is presented by Britstand Distributors Ltd., Distributors of Earth-moving, Contracting, Agricultural and Materials Handling Equipment.

Famous Australian Sculptor.
It is the work of well-known Australian artist sculptor, Arthur Murch, a winner of the Travelling Scholarship, who has studied in England and on the Continent. In 1951, he was the winner of the Archibald Portrait Prize, one of the world's richest art prizes. The bronze figure in the Trophy depicts a typical Australian axeman standing alongside the stump of a tree which has been felled. The axeman gazes upward as though to gauge the fall of his next tree.
