  15. Every exhibitor warrants that he is the absolute owner of every bird brought by him or by his authority on to the Showground and agrees to indemnify and shall indemnify the Society against all claims on whatsoever ground and for whatsoever cause made against the Society in respect of such bird at the instance of any other person.
  16. If, in the opinion of a Veterinary Surgeon of the Society, a bird on the Showground shall be so injured or be so affected by sickness, disease or other ailment as to warrant its destruction or its removal from the Showground as the case may be, the Society shall be entitled to have the bird destroyed and/or removed from the Showground and/or shall be entitled to require the owner to forthwith remove the bird from the Showground. This regulation will be rigidly enforced.
